To

Subject: Request to avail 50% fee waiver for **October 22, 2017 NPTEL Online Certification exam** for candidates from my college.

Dear Sir,
Our college would like to recommend the candidates marked in the online courses portal to be considered for availing the 50% fee waiver **October 22, 2017 NPTEL Online Certification Exam (s)**.

I assure you that:

1. These candidates need the fee waiver based on their merit cum means.
2. The approximate number of candidates for whom we are recommending 50% fee waiver is: 25.
3. Both NPTEL and our college acknowledge that not all of these students will register for the exam.
4. The candidates for whom fee waiver was recommended and register for the exam, will surely be taking up the NPTEL certification exam.
5. We agree that candidates for whom scholarship has been approved will be paying Rs.1000/- upfront to register per course.
6. We agree that Rs. 500/- will be refunded to those candidates who are recommended by us for the fee waiver, based on these conditions:
 - a) candidate must write the **October 22, 2017 NPTEL online certification exam(s)**
 - b) they must pass the exam by securing 40 marks or above in the final exam.
7. We agree that candidates who do not appear for the exam or do not score >40% [Consolidated Score] **will not get the refund** though scholarship may have been approved for them.
8. The details of the candidates marked in the online courses portal have been authenticated by the SPOC and approved by me.

This letter will be uploaded at the designated link by SPOC Mrs. Prof.S.M.Deshmukh
