Dear YADAV RAHUL PRAMHANS ,

Congratulations! We are pleased to inform you that you have been selected for admission to the two year's, full time, MBA - Energy and Environment (MBA - E&E) programme, in the batch of 2022-2024 at Symbiosis Institute of International Business (SIIB), Pune.

As a constituent of the prestigious Symbiosis International (Deemed University), we strive to provide you with a learning environment which will help you to always be abreast of changing global practices and give you a head start in your chosen field of work. Your faculty will be drawn from accomplished academicians and practicing professionals with rich and varied experience.

Please note that this admission is provisional and will be confirmed on payment of fees (As per Annexure I) on or before **19-April-2022, 5:00 PM.**, subject to the fulfilment of eligibility conditions as mentioned in the Post-Graduate Studies Prospectus 2022-23 and in accordance with the Eligibility Rules of the Symbiosis International (Deemed University) [SIU] as amended from time to time.

Your programme commences on **6th June 2022** and hostel registrations begins on **4th June 2022**. Please go through the various details given in the Post Graduate Studies Prospectus 2022-23 and SIIB website (www.siib.ac.in). We will provide shared hostel accommodation (as applicable) to students admitted to the programme. SIU reserves the right to change these dates in view of uncertainties prevailing across the country on account of Covid-19 pandemic or any other unavoidable circumstances.

Please bring all relevant self-attested/ original documents for submission on the day of commencement of your programme. In case of cancellation of provisional admission for any reason whatsoever, the SIU refund rules shall be applicable.

We look forward to having you amidst us. Welcome to Symbiosis!

With Best Wishes,

Dr. Asmita Chitnis

About Your GRE® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE® Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.

Date of Birth: October 20, 1996

Registration Number: 6626030

Print Date: January 24, 2020

- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Retaking a GRE Test

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Overall Band Score

Overall 7.0

Good User

The test taker has operational command of the language, though with occasional inaccuracies, inappropriate usage and misunderstandings in some situations. They generally handle complex language well and understand detailed reasoning.

Advice to improve your score
Listen to discussion programmes, especially those on abstract topics you're less familiar with, without pausing or repeating the recording. Try to predict how the conversation might develop, then see if you're correct. Make it a point to notice how the speakers express and qualify their opinions, noting ways they say things that make their arguments particularly effective. Where speakers have different points of view, notice how they respond to one another's comments. Use strategies to infer ideas and meanings that are not directly stated. Afterwards, try to reconstruct the discussion to yourself, to check how much you have understood.

At this level, it is important to broaden the range of texts you read further. Continue to develop your awareness of how to read different types of texts differently. What features does that particular type of text typically have? How is information structured and arranged in such texts? Will it require making inferences? Will there be a summary somewhere? Use your knowledge of these and approach the reading task in an appropriate way. Where you want to know the overall argument or specific arguments, try to do this as efficiently as possible. As an exercise, try to find several opinion-based texts on the internet, and then determine the similarities and differences in their opinions and views.

Test Score Your result explained

Listening 8.0

Test takers at Band 8 can typically follow extended speech involving complex and detailed argumentation. They can identify and process language and grammar automatically, and so are able to concentrate on the development of the overall meaning of what is said by a speaker or speakers. They can understand a wide range of vocabulary, including idiomatic language and fixed phrases or unusual collocations, as well as technical and academic language.

Reading 7.0

Test takers at Band 7 can typically deal with a variety of factual and opinion-based texts that may be complex and dense with information. They are very good at using their wide vocabulary knowledge to create meaning, both within and across sentences, on a range of general and specialised topics. They can follow an argument and distinguish between main ideas and supporting details, and are good at understanding attitude, opinion and implication. They are able to do this by using reading strategies such as skimming and scanning, and by synthesizing information and drawing inferences.

Head

Speaking	6.5	<p>Test takers at this band can typically speak at length, although they are sometimes less clear or fluent because of repetition, self-correction, or hesitation to search for words or grammar. Speaking is generally well-organised, and ideas are generally well linked, but with some errors. They have enough vocabulary to discuss topics clearly and at length, although there are often errors, and they can usually paraphrase well. They can use simple and complex grammar structures but with limited range. There may be frequent grammar errors, particularly in more complex structures, but language is usually easy to understand. Pronunciation can be clear and effective, but there may be problems. They are usually easy to understand, although words may be unclear at times.</p>	<p>Talk to other English speakers about more abstract topics or more difficult current topics. Keep the discussion going for as long as possible. At the same time, try to express your ideas as accurately as you can, using the best words you know. Many of your ideas will also require the use of complex grammatical structures. If you're using several simple sentences, try to join them up in a way that makes your point clearer. Listen (and read) in English more to help you pick up natural and idiomatic phrases. When listening, note the rhythm and also the words that the speaker stresses. Is your rhythm similar? Are you putting the stress on the right words?</p>
Writing	6.0	<p>Test takers at this band can typically address all parts of the question, some more fully than others. (AC) They can give an overview. (GT) The letter has a generally clear purpose; the tone is sometimes not consistent. Key features and bullet points are covered. The point of view and main ideas are relevant but the conclusion(s) may be unclear. Some details might be irrelevant or wrong. Test takers can arrange their ideas logically, so that the writing has a clear progression from start to finish. They are able to use some linking words well, but others with mistakes. They can paragraph their Task 2 writing, although not always logically. They have enough vocabulary to answer the question. They try to use some less common words. They make some spelling mistakes, but the reader can still understand. They can write a mix of simple and complex sentences. The grammar and punctuation mistakes do not usually cause difficulty for the reader.</p>	<p>Practice writing to give information and make arguments. Make sure you cover all the points that need to be covered, providing supporting ideas and details. Reread your work and see if you can make your points clearer. Is the ordering of your ideas logical? Sometimes, rearranging them can make things clearer. You can also try joining up or separating sentences, using the right connecting devices, and changing where you divide your paragraphs. Continue to develop your vocabulary. Words can be similar in meaning but differ in formality, in their tone, and in their implications. Focus on learning the best words to use for the writing task, the situation, and what you want to say. Challenge yourself by producing sentences that are more complex. If you make mistakes with them, don't worry too much; just check and see how you can fix them.</p>

Dear Pranav Sitaram:

Congratulations! Thank you for applying through the Graduate Direct application process. On behalf of the College of Graduate Studies, I am pleased to inform you of your acceptance to Cleveland State University for the Spring Semester 2022 Term. Our records show that your intended program of study is Electrical Engineering.

We are confident that your academic background and unique experiences will contribute to our diverse graduate student community and tradition for academic excellence. Furthermore, we believe that you are the type of motivated student that will thrive in Cleveland State University's engaged learning environment.

Along with this letter you will receive information on next steps: your visa document and instructions, health insurance requirements, and the academic calendar, among other important information. In addition, read about your options for housing and meal plans, instructions to arrange for airport pick-up, and details about the upcoming orientation program that you will attend. Please also prepare your official transcripts for presentation upon arrival.

Cleveland State Global offers a variety of support services for international students designed to help you prepare for your arrival and acclimate to your new life on campus at Cleveland State University. Student support services include visa interview preparation, assistance with your year-one course selection, advising, and pre-arrival support. You will have access to signature student experiences including airport pick-up, cultural events, and career and internship preparation. All students participate in student orientation, and our dedicated advisors are available to assist you with flexible course selection and registration.

As you continue to move forward with the next phase in your educational career, we are here to help you and to answer any questions you may have about Cleveland State University. Please contact us at admissions@clevelandstateglobal.org.

Cleveland State University is the university of choice for talented students who are intellectually curious, serious about their studies, and intent on advancing their lives through higher education. I believe that you will find your program of study challenging and rewarding and look forward to seeing you on campus very soon.

Again, I offer the warmest congratulations on your admission. On behalf of the College of Graduate Studies, I welcome you to Cleveland State University!

Sincerely,

Dear Pranav Sitaram,

I am pleased to offer you this letter of acceptance to the Executive Master of Science in Information Technology program at University of the Cumberland! We are excited for you to join us for the Fall 2022 semester, beginning August 22, 2022. **You MUST accept or decline your admission decision by August 15, 2022.**

[CLICK HERE TO REPLY TO YOUR ADMISSION DECISION](#)

If you do not reply by the deadline, your admission and application will be canceled.

PROCESSING FEE

Once you have accepted your admission, you will be required to pay a \$250 non-refundable Executive Processing Fee. The deadline to pay the Fall 2022 processing fee is August 15, 2022. Payments open March 27, and must be paid online through your Patriot Portal.

ORIENTATION

All students must attend a mandatory virtual orientation. You will be allowed to register for orientation through your Patriot Portal after you pay the \$250 Executive Processing Fee. **Fall 2022 orientation sessions will be held August 4-5 and 8-12.**

OFFICIAL TRANSCRIPTS & COURSE REGISTRATION

In order to register for courses in future terms, we will need the official transcripts from all schools you listed on your application.

After you have paid the Executive Processing Fee and registered for an orientation session, you will be provided with a link to a course preference form, which will allow you to choose your preferred residency course site location. In your first semester, your academic advisor will register you for courses based on the residency location you selected on your application.

Welcome to University of the Cumberland!

About Your GRE® Score Report

Score Reporting Policies

With the ScoreSelect® option, you can decide which test scores to send to the institutions you designate. There are three options to choose from:

- Most Recent option – Send your scores from your most recent test administration
- All option – Send your scores from all administrations in the last five years
- Any option – Send your scores from one OR as many test administrations in the last five years (this option is not available on test day when you select up to four FREE score reports)

Scores for a test administration must be reported in their entirety. Institutions will receive score reports that show only the scores that you selected to send to them. There will be no special indication if you have taken additional GRE tests. See the GRE® Information Bulletin for details. The policies and procedures explained in the Bulletin for the current testing year supersede previous policies and procedures in previous bulletins.

Scores will be sent to designated score recipients approximately 10-15 days after a computer-delivered test and 5 weeks after a paper-delivered test. If your scores are not available for any reason, you will see "Not Available" in Your Test Score History.

GRE test scores are reportable according to the following policies:

- For tests taken prior to July 1, 2016, scores are reportable for five (5) years following the testing year in which you tested (July 1 – June 30). For example, scores for a test taken on May 15, 2015, are reportable through June 30, 2020. GRE scores earned prior to August 2011 are no longer reportable.
- For tests taken on or after July 1, 2016, scores are reportable for five (5) years following your test date. For example, scores for a test taken on July 3, 2016, are reportable through July 2, 2021.

Note: Score recipients will only receive scores from test administrations that you have selected to send to them.

Percentile Rank (% Below)

A percentile rank for a test score indicates the percentage of test takers who took that test and received a lower score. Regardless of when the reported scores were earned, the percentile ranks for General Test and Subject Test scores are based on the scores of all test takers who tested within the most recent three-year period.

Note: This report is not valid for transmission of scores to an institution.

Retaking a GRE Test

You can take the GRE® General Test *once every 21 days*, up to *five times* within any continuous rolling 12-month period (365 days). This applies even if you canceled your scores on a test taken previously. You can take the paper-delivered GRE General Test and GRE® Subject Tests as often as they are offered.

Note: This policy will be enforced even if a violation is not immediately identified (e.g., inconsistent registration information) and test scores have been reported. In such cases, the invalid scores will be canceled and score recipients will be notified of the cancellation. Test fees will be forfeited.

For More Information

For information about interpreting your scores, see *Interpreting Your GRE Scores* at www.ets.org/gre/understand.

For detailed information about your performance on the Verbal Reasoning and Quantitative Reasoning sections of the computer-delivered GRE General Test, access the free GRE Diagnostic Service from your ETS account. This service includes a description of the types of questions you answered right and wrong, the difficulty level of each question, and the time spent on each question. This service is available approximately 15 days after your test administration and for six months following your test administration.

If you have any questions concerning your score report, email GRE Services at gre-info@ets.org or call 1-609-771-7670 or 1-866-473-4373 (toll free for test takers in the U.S., U.S. Territories and Canada) between 8 a.m. and 7:45 p.m. (New York Time).

Dear Mr. Prashant G. Jadhav,

Congratulations, it gives me great pleasure to inform you that your application has been approved for admission with Out-of-State Tuition to the Electrical Engineering - M.S. program in the College of Engineering at Wayne State University for the Fall 2022 semester. Enrollment beyond your first academic term is contingent upon submission of any outstanding admission items detailed on your [application status page](#).

By enrolling at Wayne State, you will be joining a premier research university that combines academic excellence with the unique experience of living and studying in an urban environment. The Carnegie Foundation for Advancement of Teaching designates Wayne State in its highest research category, a distinction held by 3.6 percent of U.S. institutions of higher education. This means that our faculty, programs and research initiatives are at the forefront of their disciplines.

Check the [registrar's calendar](#) to see if the schedule of classes has been posted online and if registration for your term has started. Once the [Class Schedule](#) is available you can explore the courses your program is offering, and then consult with your program to determine the best selection of courses for you. If registration is available, you may enroll in classes at any time up to 30 days before they begin; after that point, you will not be able to add or drop any classes until you arrive on campus. Once you are able to register, simply logon to our intranet, [Academica](#), using your Access ID (hm4570) and password (004926464). Your password must be changed after your first login. If you have previously received an Access ID, you may need to re-set your password. For assistance, visit the [CIT Help Desk](#).

Please remember: Your admission is valid only for the Fall 2022 semester. If you do not validate your admission by registering for classes for the term offered in this letter, you will need to reapply for a subsequent semester to be reconsidered by your intended academic program.

If you have any questions or need assistance, please feel free to contact the Office of Graduate Admissions.

We welcome you to the Wayne State University family!

Sincerely,

Sherry Quinn

WAYNE STATE
UNIVERSITY
GRADUATE SCHOOL

ber 17, 2021

Patil

6, Madhukumbh Society, Peth Road, Behind Saptarang Apt.
Maharashtra 422004

Dr. Akshay S. Patil,

ulations, it gives me great pleasure to inform you that your application has been approved for admission with Out-of-State Tuition to the Electrical Engineering - M.S. program in the College of Engineering at Wayne State University for the Winter 2022 semester. Enrollment beyond the first academic term is contingent upon submission of any outstanding admission items detailed on your application status page.

Joining at Wayne State, you will be joining a premier research university that combines academic excellence with the unique experience of studying in an urban environment. The Carnegie Foundation for Advancement of Teaching designates Wayne State in its highest research category, a distinction held by 3.6 percent of U.S. institutions of higher education. This means that our faculty, programs and research initiatives are at the forefront of their disciplines.

Please refer to the registrar's calendar to see if the schedule of classes has been posted online and if registration for your term has started. Once the Class Schedule is available you can explore the courses your program is offering, and then consult with your program to determine the best selection for you. If registration is available, you may enroll in classes at any time up to 30 days before they begin; after that point, you will not be able to drop any classes until you arrive on campus. Once you are able to register, simply logon to our intranet, Academica, using your Access ID. Your password must be changed after your first login. If you have previously received an Access ID, you will need to re-set your password. For assistance, visit the CIT Help Desk.

Remember: Your admission is valid only for the Winter 2022 semester. If you do not validate your admission by registering for classes listed in this letter, you will need to reapply for a subsequent semester to be reconsidered by your intended academic program.

The Office of International Students and Scholars (OISS) handles the entire I-20 procedure. Your I-20 will be processed within 3-5 days, and you will receive it in the mail within 5-7 business days after processing. You can check the status online, but please contact OISS if you have additional questions.

When you arrive in Detroit, you will need to check in with the Office of International Students and Scholars (OISS) and attend an orientation session. You will also need to finalize housing arrangements, and pay fees before beginning graduate coursework. The OISS will contact you with additional information on check-in procedures.

If you have any questions or need assistance, please feel free to contact the Office of Graduate Admissions.

Welcome you to the Wayne State University family!

Sincerely,

Quinn
