About the Institute:

The Institute was established in the year 1984. The Institute has a picturesque campus of 20.5 acres, which includes engineering, Polytechnic, Pharmacy College, hostels for boys and girls and a well-equipped gymnasium. The Institute is approved by All India Council of Technical Education (AICTE), New Delhi and Government of Maharashtra, and is permanently affiliated to University of Pune. The Institute is adjudged as Grade 'A' by Government of Maharashtra (twice reaccredited by NBA-AICTE, New Delhi). The Institute is adjudged as 'A' Grade by NAAC and in receipt of AICTE-CII platinum category award & NRF 80th All India rank.

The Institute offers Engineering programs in Civil, Computer, Mechanical, Production, Electronics & Telecommunication, Electrical, Information Technology, Chemical, Electronics and 7 post-graduate studies in Production, Electrical, Civil Engineering, Computer Engineering, E and TC, Master of Computer Applications (MCA) & Master Of Business Administration (MBA). The Institute has also established Research Centers for Ph.D. programme in Production, Electrical, Civil and Computer Engineering Departments.

About the Department:

The Department of Computer Engineering at the K. K. Wagh Institute of Engineering Education and Research, Nashik was established in the year 1984. Since then, especially in the last 15 years of the IT revolution, the department has taken long strides and is now among one of the best departments in the University. The Department has well-furnished laboratories equipped with state-of-the-art hardware and software resources, instruction halls, a seminar hall, tutorial and faculty rooms.

The Department has a blend of experienced and young faculty members who also work as mentors to the equally diligent, hardworking and intelligent students. The Department offers four years Bachelors Degree Program in Computer Engineering with an intake of 120, two years Post Graduate degree Program in Masters of Computer Engineering with an intake of 15 and a research center in Computer Engineering wherein Doctoral program is also offered. Various activities, events, such as Seminars, workshops, Conferences, symposiums, Short term training and certifications, programming, quiz, project and web designing competitions, Spoken Tutorial Certification (STC) are organized by the students under the guidance of faculty members through students' club named as Debuggers' club established in the year 1988, student branch of CSI established in the year 1996 and ISM's center of Excellence established in the year 2010. The department has excellent track record of University results as well as placements in industries. Our students have obtained ranks in the University examinations. Several fortune 500 IT industries such as TCS, Accenture, Infosys, Wipro, Persistent Systems, Zensar, Patni Computers, NVDIA, L & T Info-tech, KPIT etc. visit our campus for campus interview and almost all eligible students are placed in these industries.
