(Approved by AICTE, DTE & Affiliated to Savitribai Phule Pune University)

6.3.3 Percentage of Teaching and Non-Teaching Staff Participating in FDP's

Survey No 48, Gowardhan, Gangapur Road,
Nashik- 422 222. Maharashtra, India
www.jitnashik.edu.in

6.3.3 Percentage of teaching and non-teaching staff participating in Faculty Development Programmes (FDP), professional development / administrative training programs during the last five years.

All departments of the institute arranged some faculty development programme every year for our teaching and non-teaching staff for their development. Following are some of FDP's arranged in institute: -

Sr. No.	FDP	Staff	Year
1	FDP on ERP System & Leave Management System	Teaching and Non-Teaching	2018-2019
2	FDP on Advances in Refrigeration & Air Conditioning	Teaching	2018-2019
3	FDP in Data Science	Teaching	2019-2020
4	FDP on Advanced in MS-Excel	Non-Teaching	2019-2020
5	FDP on Awareness of Digital Platform	Teaching	2019-2020

1. FDP on ERP System & Leave Management System
(2018-2019)

Objectives

Enterprise Resource Planning or ERP is referred to a widely used software package to enhance the operational efficiency of a business resource. ERP is nothing but a symphony of software modules, which help organization to accomplish their academic goals at a very faster rate. Enterprise Resource Planning or ERP is referred to a widely used software package to enhance the operational efficiency of a business resource. Based on the organization needs and requirements, the implementation of an ERP is found to be done.

About Smart School MIS

Smart School MIS is a Cloud based Management Information System (MIS) which focuses on the management of information to provide efficiency and effectiveness of strategic decision making in educational organizations. Our MIS professionals help organizations to maximize the benefit from investments in personnel, equipment and educational processes. It is fully cloud based system and it does not require any hardware configurations at your institute.

Key Benefit

This System will providing basic knowledge about how to fill the attendance and record of all the students and staff so that staff can easily understand and update all the record.

About the Society

Jawahar Education Society established in the year 1970 is part of the renowned Jawahar Group that runs 50 schools, 3 post-graduate colleges, 3 engineering colleges and a medical college with 800 bed hospital in Maharashtra, shaping the lives of more than 20,000 students ever year. Late Annasaheb Chudaman Patil, who was a passionate advocate of basic education and rural health services, is the inspiration behind the group

About JIT

Nashik is also known as a grape city. Recent developments has transformed the city into industrial and IT hub on one side and wine manufacturing city on the other. Nashik is well connected city with respect to road transport and railways. "Nashik Road" is a railway station on central railway & connected with number of convenient trains to other cities. Railway Station is 11 KM away from the main city and 23 KM away from Jawahar education society's Institute of technology management and research, Nasik (JIT), established in the year 2012 aims at providing quality technical education in Civil Engineering, Computer Engineering, Electrical Engineering, Electronics & Telecommunication Engineering and Mechanical Engineering The institute is approved by All India Council for Technical Education Maharashtra State & affiliated to SPPU.The institute is getting shaped under the able guidance of Hon. Rohidasji Patil, Hon. Vinay Patil & Hon. Kunal Patil.

FDP on "ERP System & Leave Management System"

Event Title & Topic	FDP on "ERP System & Leave Management System"
Event Day & Date	27th December 2018 to 28th December 2018, Thursday and Friday
Event Time & Duration	2 Days
Resource Person Name & Designation	Eduplan MIS, powered by Twinkle IT Solutions Pvt. Ltd. And Smart School Prof. G.P. Mohole (Assistant Professor) and Mrs. S.Y. Patil (System Programmer)
Agency/Organization of resource person	Computer Engineering, JIT, Nashik.
Participants	All Teaching and Non-Teaching Staff
Name of staff coordinator	Prof. S.B. Patil, JESITMR, Nashik
Name of Department who conducted Event	Computer Engineering Department
Summary of Programme	• Eduplan powered by Twinkle IT Solutions Pvt. Ltd. and Smart School MIS has introduces the basic modules under this system • Prof. G.P. Mohole has conducted session on ERP System. She has demonstrated about how to use ERP System which helps keep track of all the Teaching Activities. • Mrs. S.Y. Patil has conducted session on Leave Management System. Staff can understand how to apply for leave under her expert lecture.
Objective of Programme	• To understand the ERP System for effective Teaching. • To suitable for apply leave.
Outcomes of Programme	Staff understands how to keep track of ERP System and how to apply for leave.

Subject: Invitation for expert lecture on **"Advances in Refrigeration and air conditioning"**

Dear Sir,

Jawahar Education Society's is established with primary objective of rendering selfless & dedicated services to higher education in engineering fields. Institute of Technology, Management & Research, Nashik, popularly known as JIT, has been established in the year 2012, at Gangapur road. At JIT we provide quality Engineering education in five branches of engineering viz. Civil, Computer, Electrical, Electronics & Telecommunication and Mechanical.

Department of Mechanical Engineering has planned to organize Two Days Faculty Development Program on the Topic **"Advances in Refrigeration and air conditioning"** on, 28th January, 2019 to 29th January, 2019 for Mechanical Engineering Department teaching Staff which will help them in their professional carrier.

We invite you for the topic **"Advances in Refrigeration and air conditioning"** in our college on 28 January 2019 at 11.30am to 01.30 pm.

Thanking you.

Reference: Conducting Faculty Development Programmes for faculty in Universities, Colleges and Institutes of Higher Education under the Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT) under the Ministry of Human Resource Development, Government of India.

Dear Sir,

We understand that Shivaji University, Kolhapur(Maharshtra) is conducting Faculty Development training Programmes in Data Science for faculty of Universities, Colleges and Institutes of Higher Education irresptive of which stream they belong to. Our institution would be intrested in deputing faculty to undergo this training program.

We would like this programme to be conducted at JES'ITMR (Nashik) at our instituons premises.

We shall be deputing 30 Faculties in the month of Nov -2019 as per the slot available with you.

We are enclosing with this letter brochure of the Insitute. Kindly let us have your confirmation on dates 25th Nov to 30th Nov 2019 to conduct the Programme.

Send us the opertaional details of the programme.

Yours Truely,

And

Institute of Technology, Management & Research, Nashik

About Shivaji University, Kolhapur

Shivaji University, established in 1962, is named after the Great Maratha Warrior and founder of the Maratha Empire Chhatrapati Shivaji. One of the major objectives behind foundation of this University was to cater to the regional needs of South Maharashtra. The jurisdiction of the University is spread over three districts viz. Kolhapur, Sangli and Satara with strength of about 3,00,000 students studying in 280 affiliated colleges and recognized institutes. The recent phase of the University can be termed as "a pursuit of academic excellence". Since last 4-5 years, several attempts are being made to overcome the image of University as a regional University. The University's efforts towards excellence are being recognized by the substantial grants received from funding agencies like UGC, DST, DBT etc. Another indicator of recognition of University is collaborations with premier institutes in the country. Shivaji University has recently signed MOU with Bhabha Atomic Research Centre, Mumbai for research in Material Science. It has also joined hands with Indian Institute of Geo-Magnetism, Mumbai and industries like Phyto-Pharma. Prestigious institutes like Maharashtra Police Academy, Nashik and Centre for Social Studies, Surat have sought affiliation with the Shivaji University. Shivaji University has been re-accredited by National Assessment and Accreditation Council (NAAC) Bangalore, with "A" Grade (CGPA-3.16) (2014). Shivaji University has bagged the 28th position in the rankings announced by the National Institutional Ranking Framework (NIRF) of Union Ministry of Human Resource Development (MHRD). As per the INFLIBNET report, Shivaji University stands second in use of Nature publications Group's (NPG) e-journal usage in the country. The University has also signed MoU with Centre for Development of Advanced Computing (C-DAC), Pune. Under the agreement, the two institutions will exchange information and communication technology.

About Institute of Technology, Management & Research (JIT), Nashik

Jawahar Education Society's, Institute of Technology Management and Research, Nasik (JIT), established in the year 2012 aims at providing quality technical education in Civil Engineering, Computer Engineering, Electrical Engineering, Electronics & Telecommunication Engineering and Mechanical Engineering . The institute is approved by All India Council for Technical Education Maharashtra State and affiliated to Savitribai Phule Pune Universit, Pune. The institute is getting shaped under the able guidance of Hon. Rohidasji Patil, Hon. Vinay Patil and Hon. Kunal Patil.

Jawahar Education Society established in the year 1970 is part of the renowned Jawahar Group that runs Schools, Post-graduate colleges, Engineering colleges and a medical college in Maharashtra, shaping the lives of more than 20,000 students ever year. Late Annasaheb Chudaman Patil, who was a passionate advocate of basic education and rural health services, is the inspiration behind the group.

We at JIT strive to cultivate develop the talents and skills of youth with strong scientific technical foundation and exposure to the latest trends in technology by

- Providing excellent infrastructure and amenities
- Focusing on learning rather than teaching
- Creating better environment for all round development of our students , personality and character.

Resource Centre in Data Sciences and Cyber Security:

National Resource Centre in Data Sciences and Cyber Security is established under the guidance RUSA Maharashtra from the grants received from the MHRD, Government of India under the 'Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT)' scheme. Objective of this centre is capacity building of human resource which is recognized as a critical element to strengthen not only the organization/ institutions but even the people at grassroots level by spreading awareness Data Sciences. There is a large gap between demand and availability of trained human resource in Data Sciences, who can beneficially utilize the available information for cyber safety. Data Science trained human resource is needed both as the provider and user of Technology. This is vital for sustainable development so that informed decision making can be done at all levels.

About the Training:

Data Science– An interdisciplinary field, data science deals with processes and systems that are used to extract knowledge or insights from large amounts of data. Data extracted can be either structured or unstructured. Data science is a continuation of data analysis fields like data mining, statistics, predictive analysis. A vast field, data science uses a lot of theories and techniques that are a part of other fields like information science, mathematics, statics, chemometrics and computer science. Some of the methods used in data science include probability models, machine learning, signal processing, data mining, statistical learning, database, data engineering, visualization, pattern recognition and learning, uncertainty modeling, computer programming among others. With advancements of so much of data, many aspects of data science are gaining immense importance, especially big data.

Data science is not restricted to big data, which in itself is a big field because big data solutions are more focused on organizing and preprocessing the data rather than analyzing the data. In addition, machine learning has enhanced the growth and importance of data science in the last few years. Data has real value and every information extracted from it can make or break businesses. Analytics is the intersection of business and data science, offering new opportunities for a competitive advantage. It unlocks the predictive potential of data analysis to improve financial performance, strategic management, and operational efficiency. Data analytics can lead to valuable insights that can determine leads to increase sales, fraud detection, pattern recognition and risk prediction in various domains. As part of this initiative, a Faculty Development Programme (FDP) is conducted to focus on the fundamentals of data science with hands-on sessions on every topic handled using python.

Objectives of the Training:
- Train 2000 faculties
- Building networks of professional
- Sensitizing cyber security & Data Sciences to masses at large for strengthening cashless transactions.

Eligibility:

Faculty Members from Science and Technology, Humanities, Social Sciences, Commerce and Management discipline from Universities, Colleges, NITs, IIITs, Engineering Colleges and other Institutions of Higher Education.

As the number of participants is limited to 40, preference will be given on First Come First Serve basis.

Programme Schedule:

Dates: *25th –30th November 2019*
Venue: Jawahar Education Society's, Institute of Technology, Management and Research (JIT). Gowardhan, Gangapur Road, Nashik- 422 222.

Day and Date	Course Contents
Day 1: Monday, 25/11/2019	Introduction to Python, Python Basics
Day 2: Tuesday, 26/11/2019	Python Hands-on
Day 3: Wednesday, 27/11/2019	Data Analytics using Python
Day 4: Thursday,28/11/2019	Hands on session on Python and Machine Learning
Day 5: Friday, 29/11/2019	Hands on session on Machine Learning using Python
Day 6: Saturday, 30/11/2019	Hands on session on Machine Learning using Python, Examination and Evaluation

The eligible candidates will be given confirmation is available on web-portal and it will also be informed through email. All confirmed participants will have to submit a relieving letter from their institution on the first day of the training.

Laboratory assignments:
1. Introduction to Python.
2. Introduction to Machine Learning.
3. Importing data using python for analysis
4. Exploring data sets for analysis
5. Working with loops, metrics, data submission

6. Building Data-Frames, merging data-frames and visualization with data-frames
7. Data analytics using python
8. Matrices Preview, Building Your First Matrix
9. Dictionaries in Python
10. Matrix Operations
11. Explore & Define a ML use case
12. EDA and Feature Engineering
13. Working on Machine learning using python
14. Exploring your dataset
15. Importing data into Python
16. Filtering a Data Frame
17. Renaming Columns of a Data-frame
18. Exploratory Data Analysis
19. Univariate Analysis, Univariate Analysis 2
20. Simple & Multiple Linear Regression, Regression Demo
21. Simple Network Servers
22. Package Managers

Registration:
- Participants must register through online web-portal only.
- No need to send any printed documents to the Resource Center Shivaji University.
- Registration Link: http://sangnaksuraksha.com

Registration details:

- **Registration and participation is free of cost as program is sponsored by PMMMNMTT**
- Certificates of course completion will be given to the participants who will attain all the session, which are compulsory.
- Hard copy of the registration form duly forwarded through the Head of the Institute should be submitted to the Co-coordinator on the first day of the programme with I_card copy.

Instructions for the Participants:
- Attendance at all sessions is mandatory.
- Breakfast, Lunch and Tea will be provided.
- Accommodations are not provided

Important Note: This FDP under PMMMNMTT is applicable for CAS promotions as per UGC gazette.

REPORT ON FACULTY DEVELOPMENT PROGRAMME ON DATA SCIENCE

A Faculty Development Programme on Data Science under the **PMMMNMTT** i.e. "Pandit Madan Mohan Malviya National Mission on Teachers and Teaching".The faculty development programme started on 25 th Nov 2019 at 10:00 am with Saraswati Vandana. There were 30 external participants from different colleges and institutes .The dignitaries on the stage were Guest of Honour Mr.Sumedh Khodke and Mr. Atharva Kulkarni,Head of Computer Department Mrs.Geetanjali Mohole.

Opening remarks for the FDP were given by Mrs.Geetanjali Mohole, which was followed by an introduction to the programme by Mr.Sumedh Khodke.He also gave a glimpse of the Schedule and a short Description of Data Science.

There after,programme progressed with the inaugural lecture at 10:30 am by Mr.Atharava Kulkarni in which he mainly focused on the Python Language and Brief Introduction.

The Third and fourth day of the FDP went with the next part of the programme with the presence of Mr.Aniket Thorave,an expert in Data Science and Python.Mr.Sharad Patil welcomed and felicitated Mr.Aniket Thorave.He gave a brief Introduction and took practicals example for the faculties.

On the last day, A Exam was conducted at the end of the session where FDP got its Three rankers.Mrs.Jayashree Darade from Ashoka School of Business,Nashik got the first rank and Certificate of Appreciation.This was followed by Appreciating words by Principal,Mr.M.V Bhatkar. Mr.Rajole and Mrs.Harsha Patil share their Experince for the 5 day Session.This led to the end of the series of lectures in the Five days programme. A concluding session followed after the Lunch and visit to Gangapur Dam,Nashik.

To,

The Principal,

JESITMR,

Nashik.

Subject: - Permission regarding conduction of "Two Days Faculty Development Program on Advanced in MS-Excel"

Respected Sir,

Sir, I am writing this letter to request permission to conduct "Two Days Faculty Development Program on Advanced in MS-Excel" for all non teaching faculty's of JESITMR on **21/01/2020 to 22/01/2020**. This workshop will contribute in upgrading faculty's knowledge regarding MS – Excel.

We will be highly thankful to you, if you can allow this workshop.

Thanking You.

     Subject: - Invitation letter for **"Two Days Faculty Development Program on Advanced in MS-Excel"**

Respected Sir,

     Jawahar Education Society's, Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in Engineering viz. Civil, Mechanical, Electrical, Computer and Electronics and Telecommunication. Hereby, Civil Engineering Department has planned to organize for **"Two Days Faculty Development Program on Advanced in MS-Excel"** for all non teaching faculties of JESITMR from **21/01/2020 to 22/01/2020** which will help them to boost their confidence and to achieve their future endeavors.

     We would like to conduct an expert session on the above mentioned topic. We invite you for the same on **21/01/2020 to 22/01/2020 at 10:00 am.**

     Thanking You.

Event Report

Day and Date	21/01/2020 to 22/01/2020 from 10:00 am to 3:00 pm
Name and Type of Event	"Two Days Faculty Development Program on Advanced in MS-Excel" Organized by: Civil Engineering Department, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
Participants	All Non Teaching Staff of JESITMR Nashik.
Summary	The Department of Civil Engineering organized **Two Days Faculty Development Program on Advanced in MS-Excel**, from **21/01/2020 to 22/01/2020**. The session started at 10:00 am and ended at 03:00 pm. The Workshop was conducted by Prof. S. W. Manjarwal, Department of Civil Engineering, JESITMR Nashik. He has specialized in MS-Excel. The event started with a welcome speech by Prof. S. B. Kajabe and the Resource Speaker was introduced. The faculties enjoyed the entire session, as the Speaker interacted with them, and was kind enough to clear all doubts in person, thereby ensuring that the whole session was conducted with all faculties on board about what was being taught.

Name of staff coordinator	**Prof. G.P Mohole**
Name of Department who conducted Event	**Department of Computer Engineering**
Summary of Programme	**Educators use Meet to connect with student one-on-one, to facilitate remote instruction and to hold virtual meetings and conferences with parents and guardians. Google classroom is a Learning Management System (LMS) offered by Google for teachers. This application provides a central location to communicate with students, ask questions, and make assignments. Having a YouTube channel can help you build your credibility by showcasing your personality.**
Objective of Programme	**Google Meet is a video conferencing service that enables you to join virtual meetings via audio, video, chat, and screen sharing with up to 100 people with no time limits. Youtube Channel helps student to learn complex concepts but also helps them improve listening skills.**
Outcomes of Programme	**In this way staff learns online learning for digital learners using google meet, google classroom. Also they learn how to make their own channel using Youtube.**
