Subject: - Permission regarding conduction of Expert Talk on "Career Opportunities in Oil & Gas Industries in Structural Analysis and Design Field"

Respected Sir,

We are writing this letter to request permission to conduct an expert talk on "Career Opportunities in Oil & Gas Industries in Structural Analysis and Design Field" for all SE, TE and BE Civil Engineering Students of Jawahar Education Society's, Institute of Technology, Management and Research, Nashik on Wednesday, 06th March 2024 in Seminar Hall.

This expert talk will introduce the opportunities in oil and gas industries to develop career.

We will be highly thankful to you, if you can allow this expert talk.

Thanking You.

Mumbai.

Subject: - Invitation for an expert talk on "Career Opportunities in Oil & Gas Industries in Structural Analysis and Design Field"

Respected Sir,

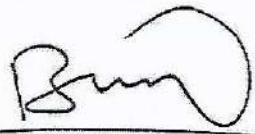

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in Engineering viz. Civil, Mechanical, Electrical, Computer, Information Technology and Artificial Intelligence and Data Science. Hereby, Civil Engineering Department has planned to organize expert talk on "Career Opportunities in Oil & Gas Industries in Structural Analysis and Design Field" for all SE, TE and BE Civil Engineering Students.

We would like to invite you as an expert to conduct on **Wednesday, 06th March 2024** at **11:00 am.**

Thanking You.

Event Report

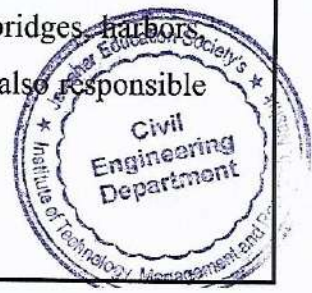

• Day and Date	:-	Wednesday, 06 th March 2024 at 11:00 am
• Name Event	:-	“Career Opportunities in Oil & Gas Industries in Structural Analysis and Design Field”
• Organized by	:-	Department of Civil Engineering, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
• Coordinator	:-	Prof. S. L. Desale, Assistant Professor, Civil Engineering Department.
• Invited Guest	:-	Mr. Deepak Shelar, DSTI Global, Mumbai.
• Venue	:-	Seminar Hall
• Participants	:-	All SE, TE and BE Civil Engineering Students

- **Objective of the Event:-**

Expert Talk on “Career Opportunities in Oil & Gas Industries in Structural Analysis and Design Field” was organized on Wednesday, 06th March 2024 to increase the awareness regarding career opportunities in oil & gas industries for SE, TE and BE Civil Engineering students of Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.,

- **Outcome of the Event: -**

Mr. Deepak Shelar explained that one of the earliest subfields of engineering, civil engineering focuses on the long-term planning, construction, and management of the essential public works that support modern life. Oil companies need civil engineers to construct oil fields, pipelines, bases, and shelters for a wide variety of machinery, storage facilities, and more. Civil engineers are responsible for the creation, enhancement, and defense of the environment in which we live. They are responsible for the planning, designing, and supervising the construction and maintenance of various building structures and infrastructures, such as highways, trains, airports, bridges, harbors, dams, irrigation projects, power plants, and water and sewerage systems. They are also responsible

for designing and constructing massive constructions and towering buildings that can resist any kind of climate. Within the field of Civil Engineering lies the subfield of Structural Engineering. In the oil and gas sector they observe building sites, write reports and assessments, review the work of other engineers, do calculations, and create drawings and specifications, structural engineers also study the work of other engineers.

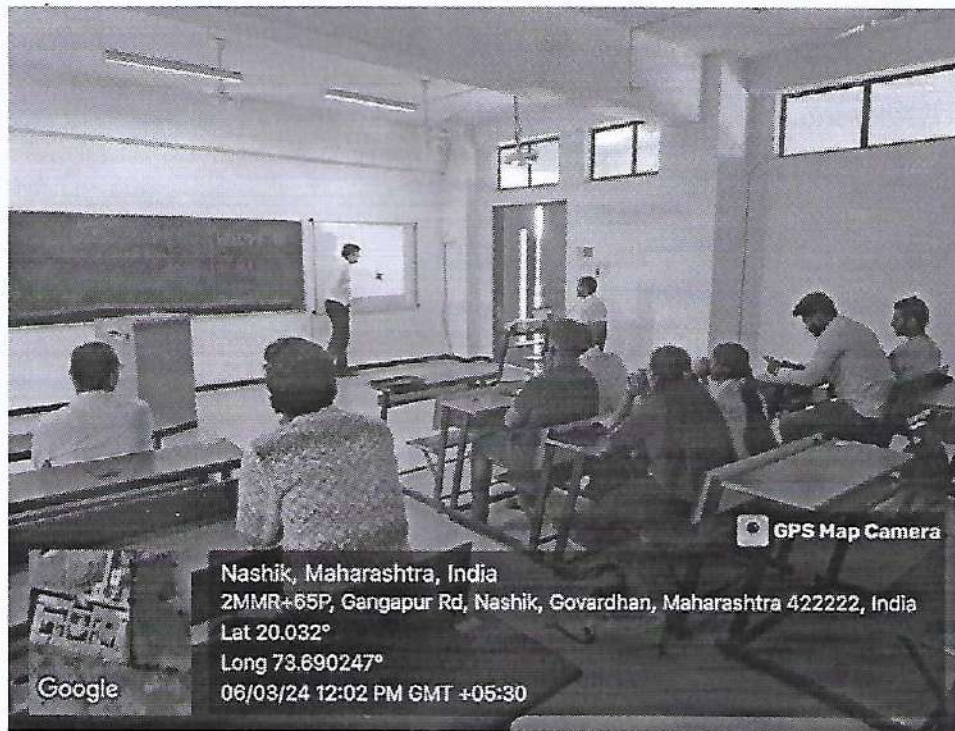

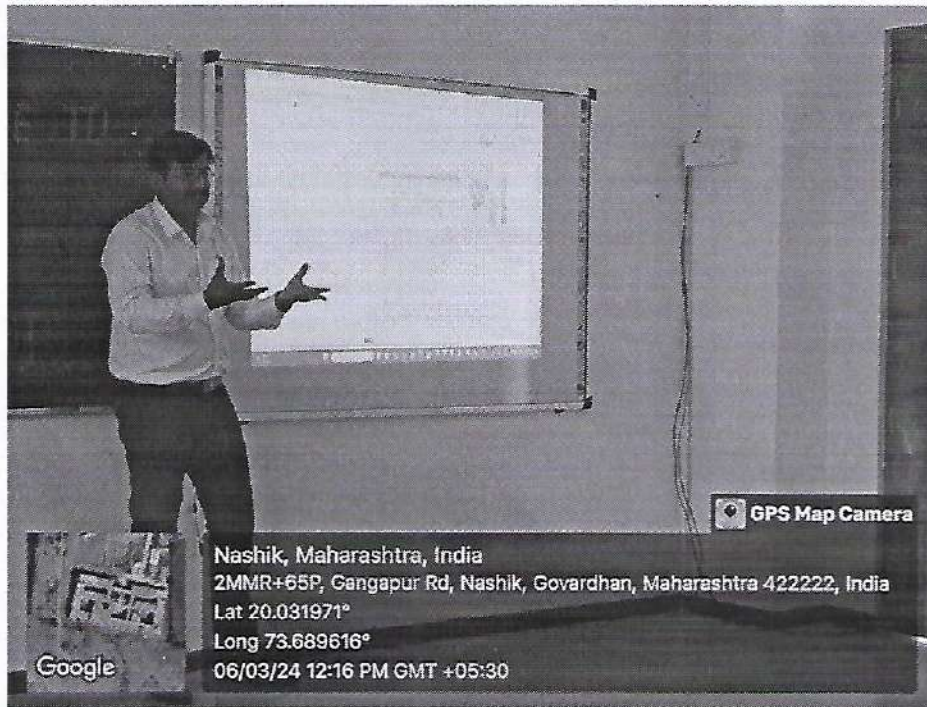

In addition, one will work with a team of experienced structural engineers and contribute to the planning of major global initiatives. Oil storage and processing facilities, as well as workshops and control rooms, are familiar places for civil engineers to be engaged in construction. The increasing demand for their expertise usually makes this the case.

Nashik.

Subject: - Permission regarding conduction of expert lecture on "Python Programming Language"

Respected Sir,

We are writing this letter to request permission to conduct expert lecture on "Python Programming Language" for all SE and BE Civil Engineering Students of Jawahar Education Society's, Institute of Technology, Management and Research, Nashik on 23rd January 2024 in AutoCAD Lab.

This session aims to introduce students to the fundamentals of Python programming and its applications in civil engineering. We believe that this lecture will greatly benefit our academic growth and provide us with valuable insights into the industry. We assure you that the lecture will be conducted in an orderly and professional manner, without causing any disruption to the regular academic activities.

We will be highly thankful to you, if you can allow this training.

Thanking You.

Event Report

• Day & Date	:-	Tuesday, 23/01/2024
• Name Event	:-	Expert lecture on “Python Programming Language”
• Organized by	:-	Department of Civil Engineering, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
• Coordinator	:-	Mr. S. L. Desale, Assistant Professor, Department of Civil Engineering
• Invited Guest	:-	Mr. S. B. Patil, Assistant Professor, Department of Information Technology
• Venue	:-	AutoCAD Lab
• Participants	:-	SE and BE Civil Engineering Students
• No. of Participants	:-	SE Civil :- 13 BE Civil:- 14 Total :- 27

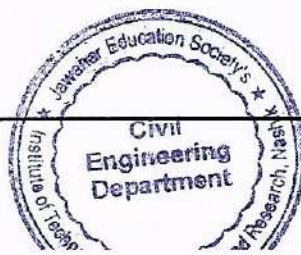

• **Objective of the Event:-**

This course aims at providing an opportunity for students to enrich their knowledge and skill in developing various solutions for solving engineering problems in the society.

This Python Programming leads students from the basics of writing and running Python scripts to more advanced features such as file operations, regular expressions, working with binary data, and using the extensive functionality of Python modules. Extra emphasis is placed on features unique to Python, such as tuples, array slices, and output formatting.

• **Outcome of the Event: -**

The department of Civil Engineering has organized a Expert lecture on “Python Programming Language” on 23rd January 2024. The Resource person is Mr. S. B. Patil, Assistant Professor,

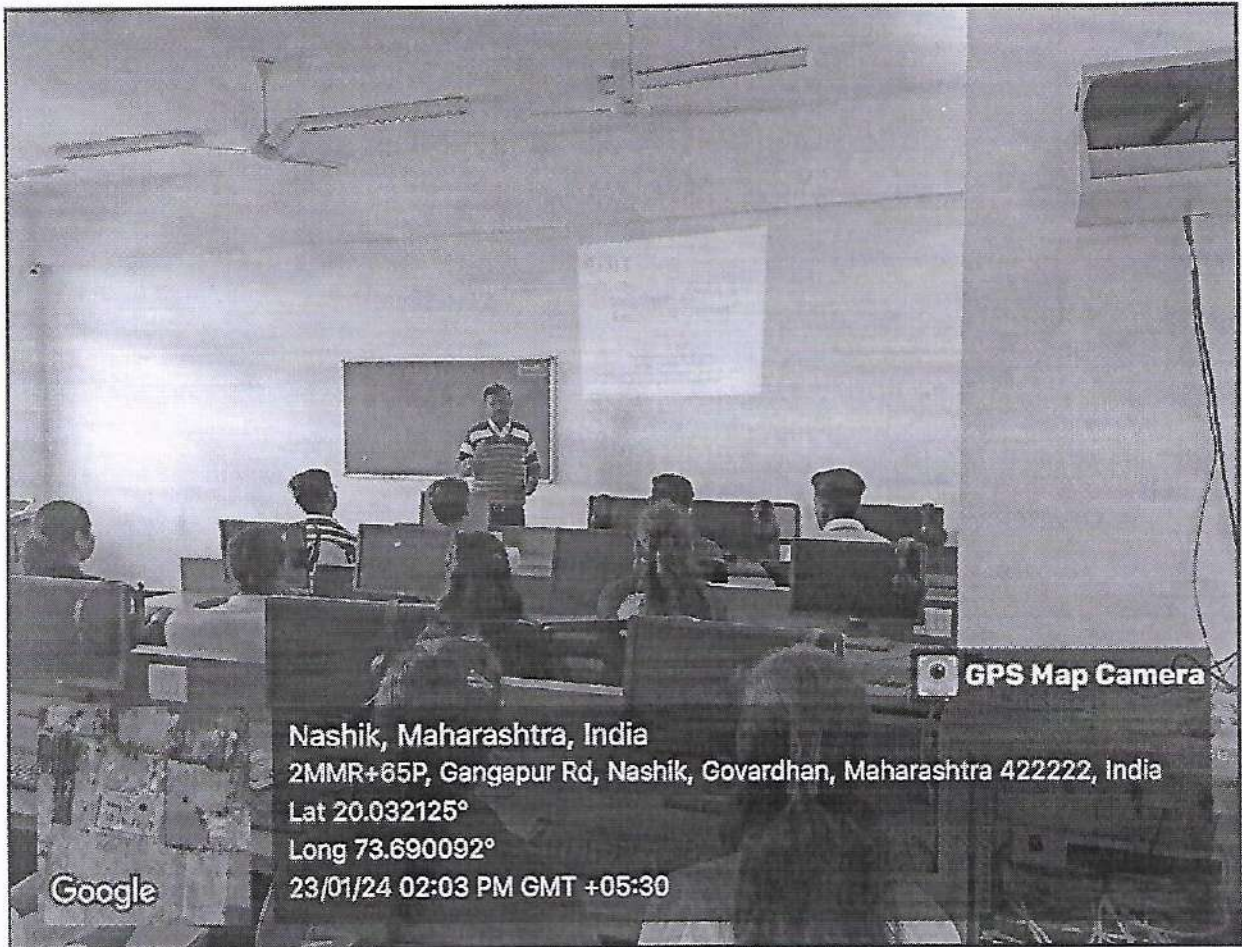

Department of Information Technology, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik. Se and BE students from the department of Civil Engineering had attended this Lecture. Total of 27 students attended to this session.

In this session resource person covered the syllabus which was related to Computer Programming in Civil Engineering. To begin with, the various Programming languages and their advantages were discussed, Mr. S. B. Patil emphasized that, in addition to learning the academic curriculum, students should attempt to learn the latest programming languages which are trending in the IT industry.

Subsequently, Mr. S. B. Patil shared information on the Python Programming Language and its scope. He described the difference between Python and other Programming Languages. He also explained the students on how to get started with Python and define functions, library files available etc. Later on he discussed some basics which were related to PYTHON programming with respect to syllabus and real time applications. Explaining about Data Types in Python Python is a high-level, general-purpose and a very popular programming language. Python programming language (latest Python 3) is being used in web development, Machine Learning applications, along with all cutting edge technology in Software Industry. Python Programming Language is very well suited for Beginners, also for experienced programmers with other programming languages like C++ and Java. The session was extremely interesting for the students and they got an opportunity to hear and learn

Subject: - Permission regarding conduction of an Expert Talk on "Problem Solving and Critical Thinking"

Respected Sir,

We are writing this letter to request permission to conduct an expert lecture "Problem Solving and Critical Thinking" for all FE and Civil Engineering Students of Jawahar Education Society's, Institute of Technology, Management and Research, Nashik on Monday, 16th October 2023 in Seminar Hall.

We will be highly thankful to you, if you can allow this an expert talk.

Thanking You.

Subject: - Invitation as an expert for Expert Talk on "Problem Solving and Critical Thinking"

Respected Sir,

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in Engineering viz. Civil, Mechanical, Electrical, Computer, Information Technology and Artificial Intelligence and Data Science. Hereby, Civil Engineering Department has planned to organize an expert talk on **Expert Talk on "Problem Solving and Critical Thinking"** on **Monday, 16th October 2023** for all SE, TE and BE Civil Engineering Students.

We would like to invite you as an expert on **Monday, 16th October 2023** at **11:00 am**.

Thanking You.

Notice

Date: - 12/10/2023

All the students of **SE, TE and BE Civil Engineering** are hereby informed that department has organized an expert talk on **“Problem Solving and Critical Thinking”** on **Monday, 16th October 2023 at 11:00 am.**

Topics to be covered:

- Principles of problem-solving and critical thinking
- Strategies for analyzing complex problems
- Techniques for generating creative solutions
- Best practices for effective decision-making
- Real-world applications of problem-solving and critical thinking

• No. of Participants	:-	SE Civil :- 15 BE Civil:- 16 } Total :- 31

- **Objective of the Expert Talk :**

The objective of the expert talk was to equip students with effective problem-solving and critical thinking skills, enabling them to analyze complex problems, generate creative solutions, and make informed decisions.

- **Summary of the Talk:**

The speaker began by emphasizing the importance of problem-solving and critical thinking skills in today's fast-paced and ever-changing world. The speaker highlighted that these skills are essential for personal and professional growth, enabling individuals to adapt to new situations, innovate, and make informed decisions.

The speaker then discussed the key principles of problem-solving and critical thinking, including:

1. **Defining the problem:** Clearly articulating the problem and identifying the key issues.
2. **Gathering information:** Collecting relevant data and facts to inform the problem-solving process.

3. **Analyzing the data:** Evaluating the information and identifying patterns, relationships, and insights.
4. **Generating solutions:** Developing a range of potential solutions and evaluating their feasibility and effectiveness.
5. **Implementing and evaluating:** Selecting the best solution, implementing it, and assessing its impact.

The speaker also shared practical strategies for developing problem-solving and critical thinking skills, including:

1. **Practice active listening:** Paying attention to others, asking questions, and clarifying assumptions.
 2. **Ask open-ended questions:** Encouraging critical thinking and exploration of ideas.
 3. **Encourage diverse perspectives:** Seeking input from people with different backgrounds, experiences, and expertise.
 4. **Embrace failure:** Viewing failure as an opportunity to learn and improve.
- **Key Takeaways:**
 1. Problem-solving and critical thinking skills are essential for personal and professional growth.
 2. Effective problem-solving involves defining the problem, gathering information, analyzing the data, generating solutions, and implementing and evaluating.
 3. Practical strategies for developing problem-solving and critical thinking skills include active listening, asking open-ended questions, encouraging diverse perspectives, and embracing failure.
 - **Conclusion:**

The expert talk on "Problem Solving and Critical Thinking" was a resounding success, providing attendees with valuable insights, practical strategies, and a renewed appreciation for the importance of these skills. We look forward to hosting more expert talks and providing opportunities for students to develop their problem-solving and critical thinking skills.

Subject: - Invitation for FDP on “**Financial Literacy**”

Respected Sir,

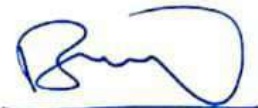

We are pleased to inform to you that Department of Mechanical Engineering of Jawahar Education Society's, Institute of Technology, Management & Research (JIT), Nashik Organizing a FDP on “ **Financial Literacy** ” for all college staff.

You are invited as a guest to deliver content on above said topic so we request you to enlighten the staffs and programme.

Thanking You,

With warm Regards,

(Dr.M.V.Bhatkar)
Principal.

Expert Talk on "CAD/CAM/CAE"	
Event Topic	Expert Talk on " CAD/CAM/CAE "
Event Date	6th March 2024
Event Day	Wednesday
Event Time	12.30 pm to 4.20 pm
Event Duration	1 Day's
Resource Person Name	Mr. Ganesh B Patil
Agency/Organization of resource	JESITMR, Nashik
Class and No of Students participated	All SE, TE and BE. Mechanical Engg.
Name of staff coordinator	Prof.R.R.Sonawane
Name of Department	Department of Mechanical Engineering
Summary of Programme	Expert talk on " CAD/CAM/CAE " arranged for all Second year , Third year & Final year student of all department of JESITMR College. This Workshop helpful for student for their academic and professional carrier.
Objective of Programme	To gain knowledge of " CAD/CAM/CAE " and their application in Industry
Outcomes of Programme	Provides Technical and Practical knowledge to student to solve real world problems.

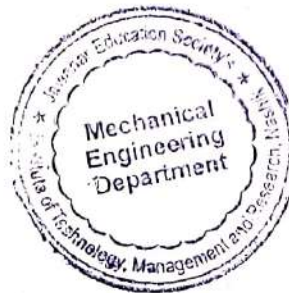

Felicitation of Guest by MESA Incharge

ITMRN/Invitation Letter/2023-24/ 6845 B

Date: 07/03/2024

To,

Mr. Ganesh B. Patil ,

JESITMR, Nasik.

Subject : Appreciation Letter.

We are very thankful to Mr. Ganesh B Patil for conducting a workshop on "CAD/CAM/CAE" for SE, TE, BE Mechanical Engineering Students on 06/03/2024 in our college campus.

This workshop was definitely informative and will be useful for our students in Academic & professional life in future.

We expect similar support in future as well.

Thanking you,

(Dr. M. V. Bhatkar)
Principal.

Appreciation

We are very thankful to Mrs. Shweta Savkar (Master of Science, USA), for delivering a valuable Seminar on "Career Exploration & Skill Development" for our Electrical Engineering Students on 5th Jan 2024 at our college campus.

This seminar was very informative and will be useful for our students.

We expect similar guidance and support in future as well.

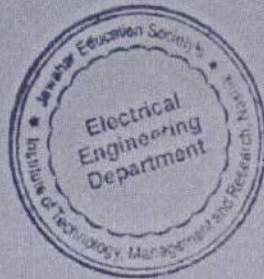

Thanking you,

Yours faithfully,

Swati

Prof. Mrs. S.A. Thete
Head, Electrical Engg. Dept.

Report of Workshop on “Career Exploration & Skill Development”

Title & Subject	" Workshop on “Career Exploration & Skill Development”
Day & Date	05/01/2024
Time	1:00 PM, 2 hours
Resource person name & designation	Mrs. Shweta Savkar
Name of Industry/Organization	Master of Science, USA
Year of student participated	Second Year, Third Year & Final Year Students
Name of staff coordinator	Mrs. S.A.Thete(HOD), Mrs. P.P.Wagh, Ms. P.D.Jawale, Ms. N.A.Aringale.
Name of Department who conducted event	Electrical Engineering Department.
Objective of event	Understand the impact of professional engineering solutions in social and environmental context and demonstrate the knowledge and need for sustainable development.
Outcomes of event	This event was very informative and will be definitely useful for students for students for their general knowledge and communication skills.

Seminar on "Career in Merchant Navy" by Alumni [2023-24]

Seminar Report	
Event Topic	Seminar by Ashish S. Mahale to SE/TE/BE students
Event Date	15 Feb.2024
Event Day	Thursday
Event Time	11 am to 12 pm
Event Duration	1 Hr
Resource Person Name & Designation	Mr. Ashish S. Mahale (ETO-in Merchant Navy)
Agency/Organization of resource	JESITMR, Nashik
Class and No of Students participated	SE/TE/BE Electrical ,First Year
Name of staff coordinator	Prof. P.P.Wagh/ Prof.N.A.Aringale
Name of Department	Department of Electrical Engineering
Summary of Programme	Alumni Interaction with Electrical Engineering students was schedule on 15 th Feb 2024 at 11 am in JESITMR, Nashik. This seminar was arranged Under the subject of "Career in Merchant Navy in Electrical Engineering" for Electrical Engineering Students.
Objective of Programme	To understand the various Career Opportunities in electrical engineering field. Apply the knowledge of engineering fundamentals, specialization, also understand the impact of the professional engineering solutions in societal and environmental context
Outcomes of Programme	Information regarding the job opportunities for electrical engineer and career in merchant navy. To investigate complex problems and take up research and development work in the allied fields

Subject: Invitation for conducting Workshop on "VLSI Soc Design using verilog HDL course(virtual Mode)" for the Electrical Engineering students from 24th Jan 2024 to 24th Feb 2024.

Dear Sir,

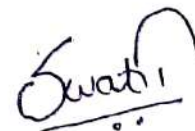

Jawahar Education Society's Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in engineering viz. Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology and Electronics & Computer Engineering.

We wish to invite you to deliver a Workshop on " VLSI Soc Design using verilog HDL course(virtual Mode)" for our students which will help them to learn core principles of electrical software system. We are planning to schedule this session from 24th Jan 2024 to 24th Feb 2024. Please let us know if you are available on the proposed date or if another time would be more convenient for you.

Thank you for considering our invitation, and we look forward to your positive response.

Dear Sir,

Jawahar Education Society's Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in engineering viz. Civil, Mechanical, Electrical, Computer, Artificial Intelligence & Data Science, Information Technology and Electronics & Computer Engineering.

We wish to invite you to deliver a Workshop on "Basic C, C++ and Core-Advance Python" for our students which will help them to learn core principles of electrical software system. We are planning to schedule this session from 1st April 2024 to 30th April 2024. Please let us know if you are available on the proposed date or if another time would be more convenient for you.

Thank you for considering our invitation, and we look forward to your positive response.

Warm regards,

Mrs. S. A. Thete
HOD

Head
Department of Electrical Engineering
Institute of Technology, Management & Research
Nashik.

Department of Electrical Engineering

Date: 22/03/2024

NOTICE

All Second year Electrical Engineering students are hereby informed that department association (EESA) offer you following workshop under study circle activity.

Details of workshop:

Sr no	Name of Course	Duration	Course Fee	Time
1	"Basic C, C++ and Core-Advance Python"	Approximately 32 Hours	800/-Per	1 st April to 30 th April (Weekly Eight Hour)

Note:

- Workshop Compulsory for all second year electrical students.
- Collect registration fees to college account through SBI collect till 30/03/2024
- After registration fee submit your name and all details to EESA Coordinator Mrs N.A.Aringale till 30/03/2024

N.B.

To,
Prof.....
JIT College of Engineering

Subject: 30 days Training Basic C,C++ and Core & Advance Python.

Respected Sir / Madam,

Sachitech is a fastest growing organization in creative industries. We are holding market of digital coaching basis organization but we also provide internship in Interior & Programming fields.

We all know that teacher/instructor/tutor are the future designer of student. Also, we know that there are so many people have talent but still resting in house. Sachitech is a platform for those who have talent to teach but don't have enough fund or support to start. Sachitech provide it to give best education by unique techniques and make our country proud.

We are having excellent and experienced instructors to teach how to create good ideas for every new client. We teach for student's great future in affordable fees. We as like student never get stuck in any related work. We are having masters in market for Career guidance. In the Programming field we have best in industries instructor with C, C++, Java, .Net, Python, Web Designing, Software Designing, Graphics Design, Data Science, Business Analytics, Machine Learning AI, Data Analytics and all programming courses.

Kindly turn over for the training and certification proposals of various technologies which might suit to the current profile of your students.

We have included trainings from basic foundational level to advance level technologies.

This proposal is to conduct a **Practical Training Sessions** for the students of your college to prepare them with current industry trends which will help them to select and grab the right opportunity to start their professional career.

TECHNOLOGY FOR INNOVATORS

TRAINING BY SACHITECH :

We are compatible to deliver various other training which are popular in the IT industry and related to the academics syllabus.

Students Count	Fees
30 Days Max Count 50+ or above	25,000 to 30,000

Note:

1. The fees mentioned for above all courses is specially designed only for colleges.
2. These fees are applicable for trainings conducted in college premises only.
3. The fees mentioned is valid for 3 months from the date of issue of this document.
4. Kindly maintain the minimum enrollment quantity (30 candidates per batch)
5. Fees mentioned is for single candidate.
6. Kindly confirm 7 days prior to start any training.

- All Basic C and C++ Logic Budling.
- C and C++ Core and advanced Module 1, Module 2 and Module 3.
- Python Core Syllabus Attached:

Core Python

Introduction

- ✓ History
- ✓ Features
- ✓ Setting up path
- ✓ Working with Python
- ✓ Basic Syntax
- ✓ Variable and Data Types
- ✓ Operator

Conditional Statements

- ✓ If
- ✓ If- else
- ✓ Nested if-else

Looping

- ✓ For
- ✓ While
- ✓ Nested loops

Control Statements

- ✓ Break
- ✓ Continue
- ✓ Pass

String Manipulation

- ✓ Accessing Strings
- ✓ Basic Operations
- ✓ String slices
- ✓ Function and Methods

Lists

- ✓ Introduction
- ✓ Accessing list
- ✓ Operations
- ✓ Working with lists
- ✓ Function and Methods

Tuple

- ✓ Introduction
- ✓ Accessing tuples
- ✓ Operations
- ✓ Working
- ✓ Functions and Methods

Dictionaries

- ✓ Introduction
- ✓ Accessing values in dictionaries
- ✓ Working with dictionaries
- ✓ Properties
- ✓ Functions

Functions

- ✓ Defining a function
- ✓ Calling a function
- ✓ Types of functions
- ✓ Function Arguments
- ✓ Anonymous functions
- ✓ Global and local variables

Modules

- ✓ Importing module
- ✓ Math module
- ✓ Random module
- ✓ Packages
- ✓ Composition

Input-Output

- ✓ Printing on screen
- ✓ Reading data from keyboard
- ✓ Opening and closing file
- ✓ Reading and writing files
- ✓ Functions

Exception Handling

- ✓ Exception
- ✓ Exception Handling
- ✓ Except clause
- ✓ Try ? finally clause
- ✓ User Defined Exceptions

Advance Python

OOPs concept

- ✓ Class and object
- ✓ Attributes
- ✓ Inheritance
- ✓ Overloading
- ✓ Overriding
- ✓ Data hiding

Regular expressions

- ✓ Match function
- ✓ Search function
- ✓ Matching VS Searching
- ✓ Modifiers
- ✓ Patterns

CGI

- ✓ Introduction
- ✓ Architecture
- ✓ CGI environment variable
- ✓ GET and POST methods
- ✓ Cookies
- ✓ File upload

Database

- ✓ Introduction
- ✓ Connections
- ✓ Executing queries
- ✓ Transactions
- ✓ Handling error

Networking

- ✓ Socket
- ✓ Socket Module
- ✓ Methods
- ✓ Client and server
- ✓ Internet modules

Multithreading

- ✓ Thread
- ✓ Starting a thread
- ✓ Threading module
- ✓ Synchronizing threads
- ✓ Multithreaded Priority Queue

GUI Programming

- ✓ Introduction
- ✓ Tkinter programming
- ✓ Tkinter widgets

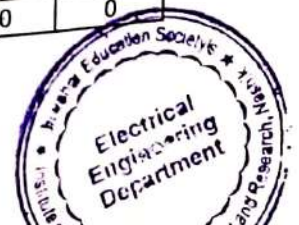

Class : Second Year Electrical

Academic Year: 2023 -24

To,
Mr. Sachin Thete,

Sachitech,

Nashik.

Subject: Letter of Appreciation

Dear Sir,

We would like to take this opportunity to express our gratitude and sincere thanks for accepting our invitation for an **Workshop** and delivering an informative session on "Basic C, C++ and Core-Advance Python" at JAWAHAR EDUCATION SOCIETY'S, INSTITUTE OF TECHNOLOGY, MANAGEMENT & RESEARCH, NASHIK, from 1st April 2024 to 30th April 2024.

We are looking forward to similar support in future.

Mrs. S. A. Thete
HOD
Electrical Department
Head
Department of Electrical Engineering
Institute of Technology, Management & Research

To
The Principal,
JESITMR,
Nashik

Subject: - Permission to transfer Workshop fees.

Respected sir,

I'm writing to request, transfer of amount Rs.26,320/- to Mr.Sachin Thete (As per letter dated 20/03/2024 we have to pay Rs.26,320/-), who recently conducted workshop at our college on subject "Basics of C,C++ and core advanced Python" during 1st April 2024 to 30th April 2024, for the duration of 32 Hrs.

Following are the details of expert & Course fee structure:

Name of Organization	Name of Expert	Course Fee	No of student Enrolled	No of student C.Completed	Total amount
SachiTech Institute, Nashik	Mr.SachinThete	800/- Per Student	51	47	47*800=37,600/-

From total amount 70% amount will be given to expert - 26,320/- Rs. And 30% amount will be given to college account-11,280/-Rs.

We are requesting you for your approval & kindly issue the cheque of Rs.26,320/- by the name Mr.Sachin Baban Thete

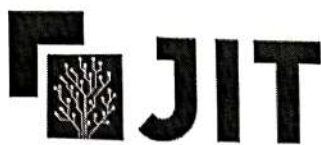

Thanking You,

A/C
Babu
24/7/24

cheque payment
Received.
25/07/2024

Your's sincerely,
Mrs. S.A.Thete

Summary report of Workshop on "Basic C, C++ and Core-Advance Python"

Title & Subject	"Basic C, C++ and Core-Advance Python"
Day & Date	From 1/04/2024 to 30/04/2024
Time	10.00 AM - 04:00 PM
Resource person name & designation	Mr. Sachin Thete
Name of Industry/Organization	Sachitech, Nashik.
Year of student participated	Second (SE) Electrical Students
Name of staff coordinator	Mrs. N.A. Aringale
Summary of event	To study the practical training on Basic C, C++ and Core-Advance Python .
Objective of event	To provide knowledge to students on Basic C, C++ and Core-Advance Python and to grab the right opportunity to start their professional carrer
Outcomes of event	Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

सध्याच्या धकाधकीच्या जीवनात मानवाचे आरोग्य अतिशय बहुमोल आहे आणि अशा मौल्यवान आरोग्याची काळजी घेणे अत्यंत कठीण आहे. त्यातच कित्येक औषधांचे दुष्परिणाम दिवसेंदिवस वाढतच आहेत, त्यासोबत दिवसेंदिवस मानवाची कमी होणारी रोग प्रतिकार शक्ती, या गोष्टी लक्षात घेता असे जाणवते की मानवाने स्वतःचे मौल्यवान आरोग्य तंदुरुस्त ठेवण्यासाठी होमिओपॅथिक चिकित्सा सोबतच योग्य आहार, योगा व प्राणायामचा आधार घेणे अत्यंत गरजेचे आहे.

गोल्ड मेडलिस्ट डॉ. घोंगडेज् संजीवनी होमिओपॅथी डायट अँड योगा क्लिनिक २००४ पासून विविध आजारांवर होमिओपॅथिक उपचार करून आजपर्यंत तीन लाखांहून अधिक रुग्णांना कायमचे रोगमुक्त केले आहे. संजीवनीमध्ये आजारानुसार योगा व प्राणायामचे मार्गदर्शन करून कायमस्वरूपी निरोगी ठेवण्याचा सल्लाही दिला जातो.

इलाज सही.
साइड इफेक्ट नही.

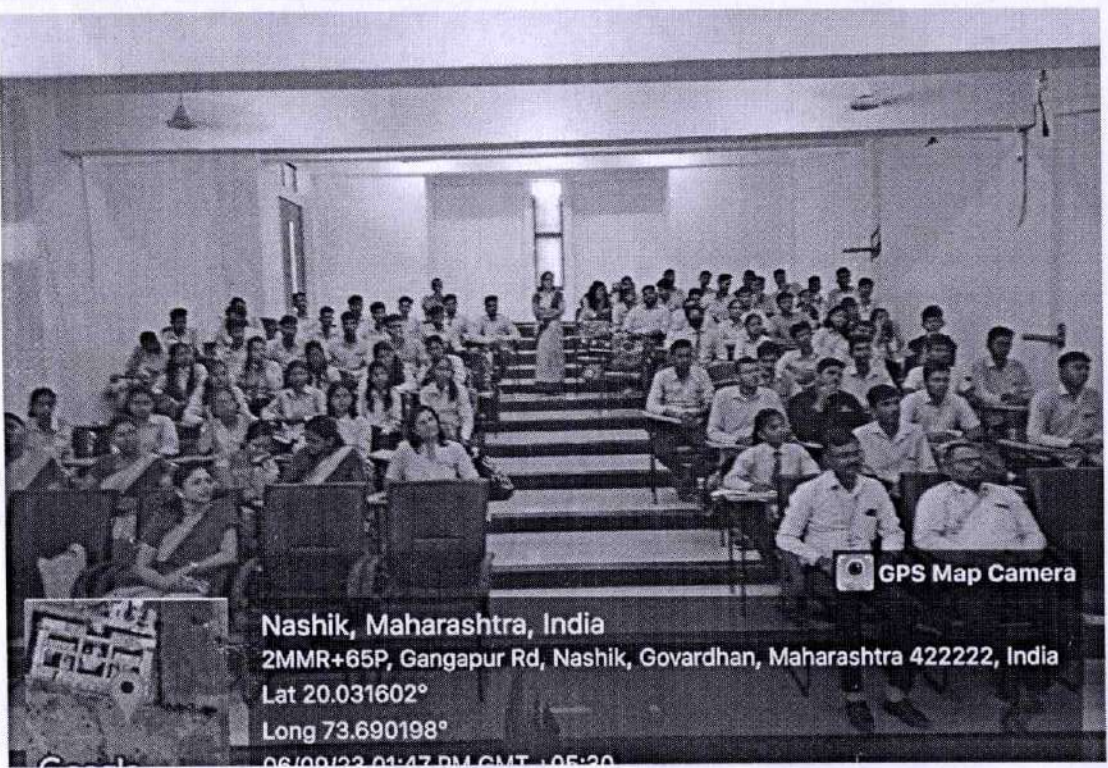

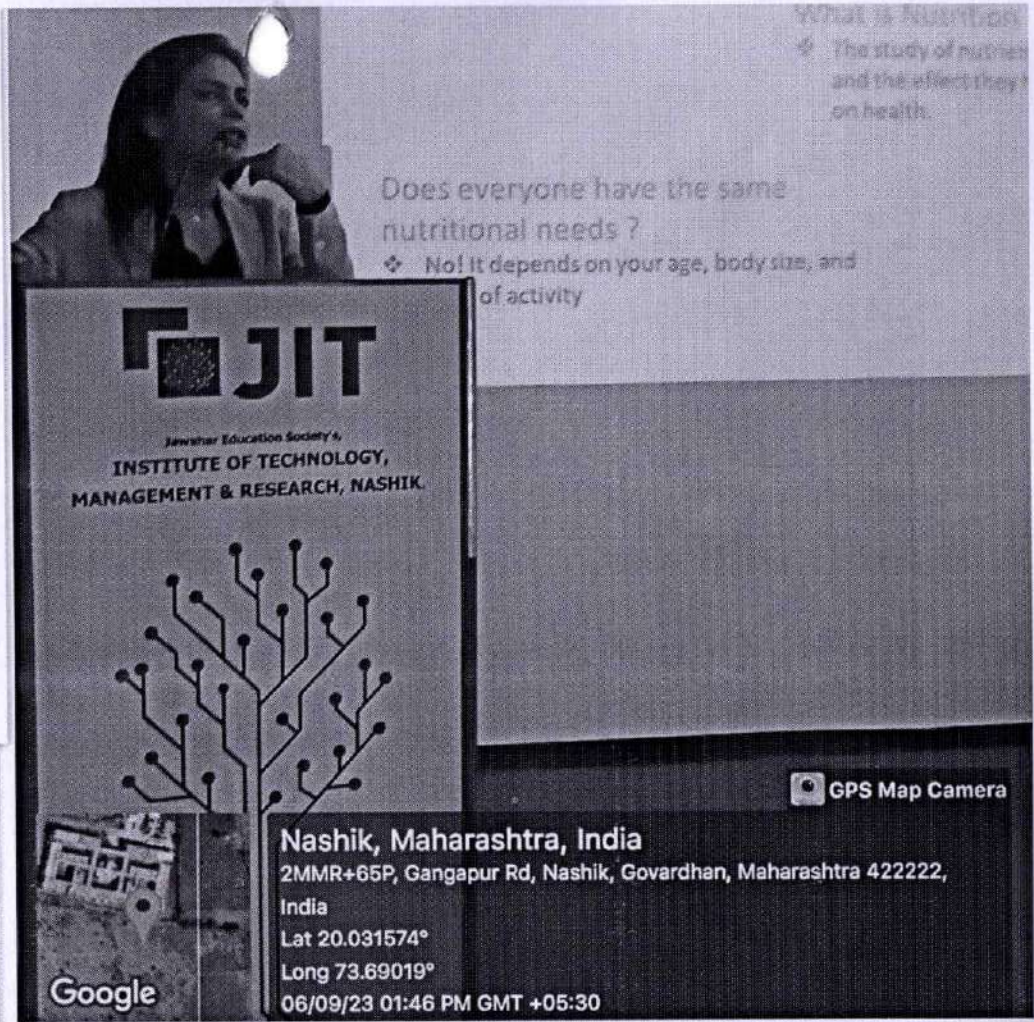

- **लहान मुलांचे आजार:** किरकिर करणे, हट्टीपणा, वारंवार सर्दी, ताप, खोकला, बालदमा, अॅलर्जीचे विकार, अंधरुणात लघवी करणे, टॉन्सीलायटीस इ.
- **स्त्रियांचे आजार:** स्त्रियांच्या गर्भाशयाच्या तक्रारी, मासिक पाळीच्या तक्रारी, रजोनिवृत्तीच्या तक्रारी, पीसीओडी, हार्मोनल इम्बॅलन्स, पांढरे पाणी इ.
- **केसांच्या समस्या:** केस पांढरे होणे, केस गळणे, कोंडा होणे, चाई अथवा उंद्री लागणे.
- **त्वचेचे विकार:** सोरियासिस, इसब, पांढरे डाग, लाइकन प्लॅनस, चिखल्या, चेहऱ्यावरील पिंपल्स, जळवात, अॅलर्जी, कुरूप, नागीन, पित्त उभरणे इ.
- **किडनीचे विकार:** मुतरखडा, वारंवार लघवीचे विकार, प्रोस्टेट ग्रंथीचे विकार, नेफ्रोटीक सिंड्रोम, अॅक्युट ऑर क्रॉनिक रिनल फेल्युअर इ.
- **पोटाचे विकार:** अॅसिडीटी (पित्त), अपचन, आय.बी.एस., बद्धकोष्ठता, अतिसार, मळमळ, उलटी, पित्ताशयातील खडे, कावीळ इ.
- **शाररॉडडेचे विकार:** हारपो किंवा हारपर शाररॉडडे गुलांड

- संधीवात, गाऊट (Uric Acid वाढणे)
- मुळव्याध, भगंदर, नासरू.
- डोके दुखी, मायग्रेन.
- अॅलर्जी, वारंवार होणारी सर्दी, खोकला, दमा, श्वसनाचे विकार, छातीचे विकार.
- मधुमेह व रक्तदाबाच्या तक्रारी.
- मणक्यांचे व मेंदूचे विकार, शियाटिका, हातापायांना मुंग्या येणे.
- मानसिक आजार, दडपण, अनामिक भिती, निद्रानाश, काळजी इ.
- कान-नाक-घशाचे विकार वारंवार तोंड येणे

Expert Talk on “Healthy Diet”

Event Title & Topic	Expert Talk on “ Healthy Diet ”
Event Day & Date	Wednesday, 6 th September 2023
Event Time & Duration	11:00 AM
Resource Person Name & Designation	Dr. Charushila Yogesh Ghongde
Agency/Organization of resource person	Chief Dentition, Public Health Department, Government of Maharashtra, Civil Hospital, Nashik
Participants	All staff and students of second year IT, Computer and AIDS, Jawahar Education Society’s, Institute of Technology, Management and Research, Nashik
Name of staff coordinator	Mrs. J. P. Patil
Name of Department who conducted Event	Information Technology Department
Summary of Programme	Dr. Charushila Yogesh Ghongde delivered expert talk on Healthy Diet. She discussed in detail on promoting the importance of a well-balanced diet, replete with all the necessary nutrients that our body requires for various functions and for the upkeep of our overall health.
Objective of Programme	To understand concept of “Healthy Diet” by considering following points: <ul style="list-style-type: none"> • maintain a healthy weight and wellbeing • provide a variety of nutritious foods from the five food groups daily • protect against malnutrition and noncommunicable diseases
Outcomes of Programme	The students and staff members understands : <ul style="list-style-type: none"> • How to improve health, fitness, and quality of life through daily physical activity? • Improve health by promoting healthy eating and making nutritious foods available.

Subject: Regarding permission to conduct Internship Awareness Program by Sunanda InfoTech for (TE Computer).

Respected Sir,

We like to request you for permission to conduct **Internship Awareness Program by Cloudkraft Technologies for (TE Computer) on 23/12/23.** This Session is useful for TE students.

So kindly give us permission for the same.

Thanking You.

Yours Faithfully,

G. P. Mohole

Subject: Invitation as a Guest Speaker on "Internship Awareness Program".

Dear Sir,

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in engineering viz. Civil, Mechanical, Electrical, Computer, AI&DS and IT.

We, at the Department of Computer Engineering have planned to organize an Online Goggle Meet on "**Internship Awareness Program**" for students of **Third Year** of our institute on 23rd December 2023 at 2 PM to make them aware of the various internship opportunities available with your esteemed organization.

We request you to accept our invitation for the same.

Thanking you,

Dr. M. V. Bhatkar
Principal

Date: 21/12/2023

NOTICE

All the TE Computer students are hereby informed that **Internship Awareness Program by Cloudkraft Technologies** has been scheduled on **23rd December, 2023 at 3:45pm.**

So kindly attend the sessions without fail.

Note: Attendance is Compulsory

👉 Dear Student,

We have organized an Online Google Meet on " Internship Awareness Program" for students of Third Year by Cloudkraft Technologies, Nashik tomorrow at 1.45 PM. You are therefore requested to make yourself available to join this meeting to know the Internship opportunities available with the Cloudkraft Technologies, Nashik .

Regards,
Sanjay A. Patil
Internship Co-Ordinator

Report on Expert Session on “Internship Awareness Program”.

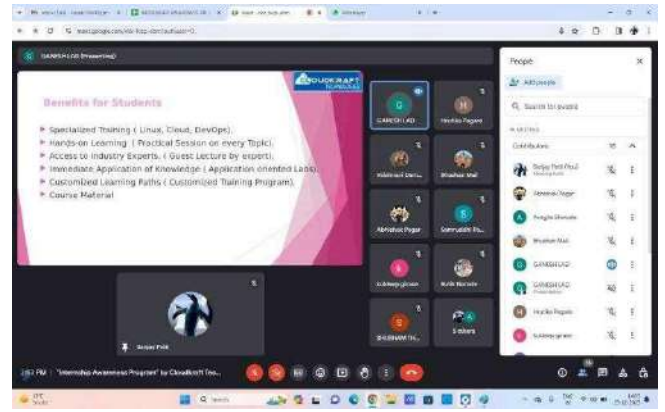

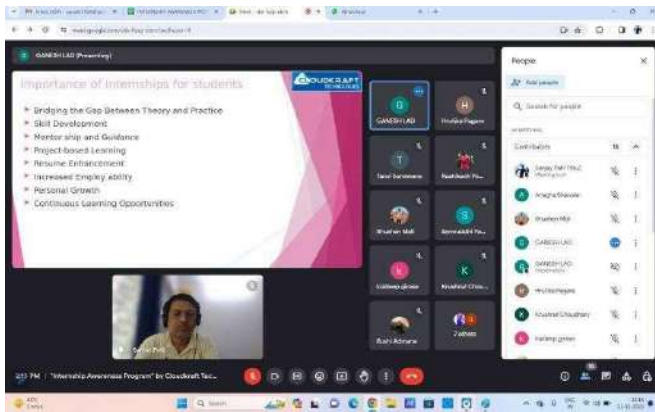

Report on Expert Session on “Internship Awareness Program”.	
Event Topic	Report on Expert Session on Internship Awareness Program
Event Date	23 rd December 2023
Event Day	Saturday
Event Time	01:45PM to 2:45 PM
Resource Person Name & Designation	Mr.Ganesh Lad
Agency/Organization of resource person	CloudKraft Technologies
Year of student participated	TE Computer
Name of staff coordinator	Prof. S.A.Patil
Name of Department who conducted Event	Department of Computer Engineering
Summary of Program	Mr.Ganesh Lad Sir , delivered a wonderful session and guided students about Internship Awareness Program .
Objective of Program	<p>To understand the importance of AWS and its need</p> <p>PO9- Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings</p> <p>PO10 - Communicate effectively on complex Engineering activities with the Engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.</p> <p>PO11: Demonstrate knowledge and understanding of the Engineering and management principles and apply these to one’s own work, as a member and leader in a team, to manage projects and in multidisciplinary Environments</p>

	<p>PO12: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.</p>
<p>Outcomes of Program</p>	<p>CO1: To demonstrate professional competence through industry internship.</p> <p>CO2: To apply knowledge gained through internships to complete academic activities in a professional manner.</p> <p>CO3: To choose appropriate technology and tools to solve given problem.</p> <p>CO4: To demonstrate abilities of a responsible professional and use ethical practices in day to day life.</p> <p>CO5: Creating network and social circle, and developing relationships with industry people.</p> <p>CO6: To analyze various career opportunities and decide carrier goals</p>

February 8th and 9th 2024**

Organized by

(Approved by AICTE, New Delhi, DTE, Government of Maharashtra, Affiliated to Savitribai Phule Pune University)

(NAAC Accredited)

In Association With

**Nashik Industries & Manufacturers
Association (NIMA)**

Conference Website:
<https://jitnashik.edu.in/ncetes2023.php>

About the Institute

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik, established in the year 2012, aims at providing quality technical education in Civil, Electrical, Mechanical, Computer, IT, and AI&DS Engineering streams. The institute is getting shaped under the able guidance of Hon. Rohidasji Patil, Hon. Vinay Patil & Hon. Kunal Patil. The institute is accredited by National Assessment and Accreditation Council and holds best position of technological institutions in the Nashik. The institute is contributing to all sectors of technological development and also committed to making students conscious of their social responsibility through various outreach programmes. The institute has justifiably proven itself on the quality of its academic programs and is keeping pace with the latest developments in engineering education.

About the Conference

The National Conference on Emerging Trends in Engineering and Sciences (NCETES- 2023) aims to create a common platform for students, academicians, researchers, developers and practitioners to discuss and present various research initiatives, outcomes and their experiences. A conference platform is not only to learn new aspects, others perspectives and the latest information, but also a good way of networking. All submitted papers will be published in the conference proceeding with ISBN numbers through the peer review process. Moreover, selected papers will be published in reputed journals.

Conference Theme

Sustainable Practices in Engineering and Sciences
The conference will focus on, but will not be limited to the following sub themes

Computer Engineering

AI&ML, Big Data Analytics, Blockchain, Cloud Computing, Cryptography and Network Security, Deep Learning, Distributed and Parallel Computing, Graphics, Animation and VR, Image Processing, IOT, Mobile Computing, Soft computing, Wireless Sensor Networking, Quantum Computing.

Mechanical Engineering

Green Manufacturing, Production Processes and Systems, Industrial Robotics and Automation, Renewable Energy, Advanced materials & Metal Forming, Industrial Engineering

Electrical Engineering

Smart grid, Electric Vehicles, Power Systems Stability, Operation, and Controls, Embedded systems and Internet of Things (IOTs), HVDC and FACTS controllers, Power supplies and industry-specific applications, AC and DC drives and Electrical machines, Applications of optimization techniques in Electrical and Electronics Engineering.

Civil Engineering

Sustainable materials, Advanced Construction management, Water resources engineering, Sustainability in geotechnical engineering, Hazardous waste management and advances in environmental engineering, Structural engineering, Transportation engineering, Remote sensing and GIS.

Applied Science & Humanities

Complex Analysis, Differential equation, Applied Mathematics and modelling, Numerical analysis, Mathematical & scientific machine learning. Green chemistry, Nano-chemistry, Heterocycles, Pharmaceutical Chemistry, Phytochemistry, Polymer Chemistry, Catalysis. Mathematic Physics, Nanotechnology & Nano science, Material Science, Mathematical & Computational Physics, Design, development or function of commonly used devices.

Conference Schedule:

Last Date for Abstract Submission	31th Aug 2023
Intimation of Abstract Acceptance	15th Sept. 2023
Last Date for Full Paper Submission	15th Dec. 2023
Intimation of Paper Acceptance	31st Dec. 2023
Submission of Camera Ready Paper	10th Jan. 2024
Last Date for Registration of Accepted Papers	31st Jan. 2024

Conference Fees

Diploma/UG/PG Student	750 INR +200 INR for each next author
Research scholar/Faculty /Industry Academia	1000 INR +200 INR for each next author

Registration to conference includes, Conference Kit Proceedings, Lunch and Refreshment.
(Kit is only for first author, other authors will not be entitled for conference kit)

E-Payment

A/C Name	JAWAHAR EDUCATION SOCIETYS INSTITUTE OF TECHNOLOGY MANAGEMENT AND RESEARCH, NASHIK
A/C Number	32488114540
Bank	State Bank of India
IFSC Code	SBIN0012510
Branch Name	GANGAPUR SOMESHWAR NASIK

Registered authors are requested to inform about their registration immediately after payment to **Ms. M. S. Shelar** (Mob. 9403040460)

Accommodation

Assistance will be provided for nearby and suitable Accommodation.

Date: 05/12/2023

Circular

This is to inform all staff members that due to the non-availability of Dr. H.A.Shahane, Prof. Mrs. S.A.Theite has been appointed as the Convener for the National Conference on Emerging Trends in Engineering and Sciences (NCETES-24) with immediate effect.

Prof. Mrs. S.A.Theite will be responsible for the planning and smooth conduction of the conference. She will work efficiently to fulfill this role and ensure the success of the event.

I request all related committee members to extend their full cooperation and support to her in executing her duties effectively.

Subject: Invitation as a **Session chair** at the two – day National Conference on Emerging Trends in Engineering and Sciences, (NCETES-2024) in online mode.

Dear Sir,

With great honor and privilege, we invite you as a **Session chair** at the two-day National Conference on *Emerging Trends in Engineering and Sciences, (NCETES – 2024)* scheduled on 8th and 9th February 2024 in online mode. Please let us know your availability so that we can provide the details accordingly.

Looking forward to your acceptance.

Date: 08/02/2024

Time: 03.30 P.M – 4.00 P.M

Mode: Online (Google Meet)

Thanking You,

Mrs. Swati A. Thete : _____

Convener, NCETES-24

Dr. M. V. Bhatkar: _____

Principal / Conference Chair – NCETES-24

Circular

A National **Conference on Emerging Trends in Engineering and Sciences** (NCETES 2024) will be organized by our institute during February, 8th and 9th 2024. To encourage our faculties/researchers to participate in this conference, **50% conference registration fee** will be waived-off for all internal faculty members.

This conference aims to bring together researchers, academicians, and industry professionals to share their innovative ideas and research findings in the fields of engineering and sciences. It will provide a platform for networking, collaboration, and discussion of emerging trends and future directions in these areas.

We look forward to your active participation/contributions to make this event a grand success.

Dr. M. V. Bhatkar

Om Bhambare (Presenting)

Introduction

Welcome weather messages on mobile for travelers can be a valuable tool for helping people plan their trips and make the most of their time at their destination. By providing travelers with personalized information about the current and upcoming weather conditions, these messages can help them to pack appropriately, dress appropriately, and plan their activities accordingly. The system uses a variety of data sources, including weather data from the National Weather Service, geolocation data from the user's mobile device, and travel data from a variety of travel websites and apps

Sanjosh bancheti (Presenting)

"Enhancing Engineering Pedagogy to Elevate the Quality of Engineering Education in India"

- Growing recognition of **quality engineering** education in India, driven by both global trends and national aspirations for producing engineers who can compete on an international level.
- Necessity for a thorough **reevaluation and transformation** of teaching methodologies
- The paper aims to delve into **different pedagogical approaches** within engineering education, exploring their potential effects on improving the quality of teaching and learning outcomes

Academia-Industry Collaboration

Impact on Education Quality

- Enhanced Practical Experience:** Students gain real-world skills through industry exposure and internships.
- Curriculum Relevance:** Academic programs updated regularly to align with current industry standards and future trends.
- Innovation in Teaching:** Introduction of cutting-edge industry practices and technologies into the classroom.
- Bridging Skill Gap:** Reducing the disconnect between academic training and industry requirements.

MANAGEMENT & RESEARCH, NASHIK.**

(Approved by AICTE, New Delhi, DTE, Government of Maharashtra, Affiliated to Savitribai Phule Pune University)

JIT/Est/Thanking Letter/2023-24/ 6746

Date: 09.02.2024

To,
Dr. Sharad S. Dhamal
Associate Professor (Dept. of Electrical Engineering)
KKWagh IEER, Nashik, Maharashtra, India

Dear Sir,

We would like to take this opportunity to express our gratitude and thanks for accepting our invitation as a Session chair at the two-day National Conference on Emerging Trends in Engineering and Sciences, (NCETES – 2024) scheduled on 8th and 9th February 2024 in online mode. We appreciate your efforts and support for making this event successful

We are looking forward for the similar support in future.

Mrs. Swafi A. Thete
Convener, NCETES-24

Dr. M. V. Bhatkar
Principal
Conference Chair – NCETES-24

Participants Feedback

MESSAGE FROM CHIEF PATRON

Dear Organizers and Participants,

Greetings to you all!

We applaud the hard work made by the institute, for a wonderful and stimulating national conference. The Conference is very well organized, both logistically and in terms of its contents. The broad spectrum of themes listed for discussions conveys its intellectual integrity.

National conference on “**Emerging Trends in Engineering and Sciences**” speaks of the use of new research, and innovations to focus more on recent developments. This conference is a platform for all the professors, researchers, and students to share their ideas and innovations with the outside world. Science and Technology is an area where innovation is taking place every day, and every innovation changes the market trend and the global economy.

We appreciate and acknowledge the efforts of the institute who left no stone unturned to make this conference a success. A special mention of the tireless efforts of the Conference chair, Conference Convener and organizing committee of the conference who made the conference see the light of day. All the staff and students of the institute deserve our appreciation for their coordinated effort to make this conference a success. I do congratulate the authors of the research articles submitted for the conference/proceedings.

We are impressed with the most productive, well-planned conference which would be memorable and successful.

Our best wishes to all the stakeholders!

President / Secretary
Jawahar Education Society

MESSAGE FROM CONFERENCE CHAIR

The National Conference on Emerging Trends in Engineering and Sciences (NCETES-2024) aims to create a common platform for students, academicians, researchers, developers, and practitioners to discuss and present various research initiatives, outcomes, and experiences. A conference platform is not only to learn new aspects, other perspectives, and the latest information but also a good way of networking.

The papers being presented have been selected based on blind reviews and are of very high standards. An opportunity has been provided for research scholars to discuss their problems and an achievement with senior researchers is a welcome gesture. I am sure the conference has all the ingredients researchers look for in a conference and this conference will provide a new perspective to the researchers. A conference serves its purpose when the delegates get good opportunity to network for further research. I am very happy to state that being the First national conference (NCETES-2024) provides a platform for such an exchange of information.

The various technical and non-technical committees have put in admirable effort in making the conference a memorable one for all the delegates. I take this opportunity to congratulate all the delegates for their participation and contribution.

My best wishes to all the stakeholders!

Dr. M. V. Bhatkar
Conference Chair

MESSAGE FROM CONVENER

It is my great pleasure and honor to welcome everyone to the 1st National Conference on Emerging Trends in Engineering and Sciences (NCETES-2024). It brings together all researchers and practitioners from academia and industry to discuss foundations, techniques, and tools for automated analysis, design, implementation, testing, and maintenance of software systems.

This publication contains the proceedings of the conference, which was held at the institute on 8-9 February in Nashik. The conference featured keynotes, presentations, experiences, and discussions.

For the technical research track, we have received an overwhelming response for the number of submissions, of these few have been desk-rejected, while remaining considered for the final reviewing process.

As a highlight, NCETES-24 attracted nationally renowned keynote speakers, whose talks feature a quite diverse set of topics.

I would like to thank all the sessions chairs, as well as the paper presenters and the attendees. Numerous organizing committee members have helped in various ways to make the event a success.

Last but not least, I would like to thank our Management and Principal for their faith and providing various kinds of support for the organizing the conference.

Mrs. Swati A. Thete

Nashik.

Subject: Invitation for expert lecture on "Premarital Counselling".

Dear Madam,

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik is providing Bachelor's Degree in Engineering viz. Civil, Mechanical, Electrical, Computer, Information Technology and Artificial Intelligence and Data Science.

Student development cell of our college has planned to organize Expert Talk on the Topic "Premarital Counselling" on Tuesday, 20th February, 2024 at 10:00 am, under Nirbhay Kanya Abhiyan scheme.

We invite you for the same in our college. We shall be really thankful to you if you will join us, and provide guidance to our girl students.

Thanking you.

Permission Letter

To,
The Principal
JES'ITMR, Nashik

Subject: Request for Conducting Awareness Program on "Safe and Healthy Mental Environment"

Respected Sir,

I am writing to request permission to conduct an awareness program on "**Safe and Healthy Mental Environment**" in Association with Rotary club of Nashik North under Project named "**SHIELD**" in our college campus. The program aims to promote mental well-being, reduce stress, and foster a supportive environment among students.

Program Details:

- Date: April 19, 2023
- Time: 11.30 AM to 01.00 PM
- Venue: College Seminar Hall

Objectives:

- Raise awareness about mental health importance
- Encourage open conversations about mental well-being
- Provide resources and support for students struggling with mental health issues

Expected Outcomes:

- Increased awareness about mental health
- Improved mental well-being among students
- Enhanced support system for students struggling with mental health issues

We believe that this program will contribute to creating a safe and healthy mental environment on our campus. We would be grateful if you could grant us permission to conduct this program.

Thank you for considering our request.

33
Prady
Yours Sincerely

Pl. organize

To,

Shri. Ankush Shinde,
Commissioner of Police,
Nashik.

Dear Sir,

I hope this message finds you well. On behalf of Rotary Club of Nashik North, I extend warm greetings to you.

As a service organization, Rotary Club of Nashik North believes that it is our shared responsibility to take action on the world's most pressing issues. We work together to promote peace, fight disease, provide clean water, sanitation and hygiene, save mothers and children, support education, grow local economies and protect the environment.

We are delighted to inform you that we are working on a project named "**SHIELD**", aimed at creating a safe and healthy mental environment for young adults. Our vision is to educate, support and protect young adults and create a better everyday life while providing the right direction with the guidance of a team of professionals, including teachers, psychologists, therapists, doctors, parents, lawyers, police and more.

Shield provides young adults with several options to seek help, including email, social media, and website. If young adults encounter any hardships, they can reach out to Shield through any of these channels. The Shield team will carefully listen to their concerns and communicate with them to understand the nature and extent of their challenges. Based on the concerns raised, the team will categorize the questions into different levels and connect the young adults with professionals who can provide guidance and support to address their concerns.

It is a privilege for us to invite you as our **Chief Guest** for the launching of "**SHIELD**" that will take place at **JIT, Nashik** on **19th April 2023, at 11 am**. We believe that your presence will add significant value to our initiative and help us create a greater impact.

Please let us know of your availability, and it would be our honor to host you at the event. Thank you for your consideration.

Best Regards,

Rtn. Vivek Ambekar
