1. Teaching and Learning Plan

A National Level Project Competition (proJIT)

The plan advocates for the organization of a prestigious National-level project competition, fostering an environment of healthy competition and innovation among students.

For more details click here

B Faculty Development Programs Promotion

Recognizing the pivotal role of faculty, the plan encourages and promotes their active participation in ongoing faculty development programs. This aims to keep the faculty abreast of the latest teaching methodologies and technological advancements.

**Subject: Offer of Admission to the Ph.D program at the School of Engineering and Technology,
Vikrant University, Gwalior.**

Dear Patil Sharad Bhagwan ,

With reference to your application for admission and subsequent interview. I am pleased to inform you that you have been selected for admission into our Ph.D. programme at the School of Engineering and Technology, Vikrant University, Gwalior subject to fulfilment of the terms and conditions mentioned in this letter.

To accept this offer, you are required to pay the applicable yearly tuition fee on or before 5th January 2024 for the current academic session, failing which this admission letter shall be treated as cancelled. You may submit the fee to account department at University Campus/city office, Gwalior or transfer the amount to the account number mentioned below:

Duration of MOU: 13 Feb 2024 to 12 Feb 2025

The Department of Civil Engineering, Jawahar education Society's Institute of Technology Management & Research, Nashik and DSTI GLOBAL, Mumbai intended to facilitate the process of close Industry Institute Interaction (I-I) and actively promoting fresh avenues for the same. This MOU shall strive to enhance interaction with students, faculty and bridge the gap between Academic, Industry and Corporate World. This will have a positive impact on the engineering curriculum, exposure of industrial atmosphere to engineering students and subsequent opportunities in industries across the globe.

Vision: To promote awareness of Oil & Gas structural analysis & design technologies among students of the civil engineering.

Mission: To create an environment to synchronize the skills of students with the needs of industry & provide a formal basis for promoting interaction and guidance for a long-term collaboration.

The Institute Can: -

- Arrange workshop and internship programme to adopt latest industrial technologies.
- Provide representation for or invites representatives from industries.
- Provide testing and certification facilities.

The Industry can:

- Extend help and give constructive suggestions while designing the curriculum.
- Assist faculty while developing skill with specific technology to the students.
- Provide support/guidance for innovative projects of students.
- Give live projects to the students and guide them in professional way.
- Allow students for Internship programme.

AND

This Memorandum of Understanding (hereinafter referred to as the "MOU") is made and entered on the 17/01/2024 (hereinafter referred to as the "Effective Date") by and between:

Mr. Nikhil Malhotra (Director) of iSTEP Mentors Private Limited, with its registered office at 103, Chiranjiv Tower, 43, Nehru Place, New Delhi 110019 India, (hereinafter referred to as "Party A"); and

Dr. M. V. Bhatkar (Principal) of Jawahar Education Society's Institute of Technology, Management and Research with its registered office at Survey No 48, Gowardhan, Gangapur Road, Nashik - 422 222. Maharashtra, India, (hereinafter referred to as "Party B").

Parties may be referred to individually as "Party" and collectively as "Parties".

Recitals

WHEREAS, Party A is an EdTech Platform engaged in the business of building networking connections among international universities and Indian Institutes of higher education.

WHEREAS, Party A is an official representative of a number of international universities in India.

WHEREAS, Party A has developed a mobile application (hereinafter referred to as the "iSTEP Mentors App" or the "App") that delivers online educational sessions by prominent academics from universities highlighting advancements in research or development in a topic of general interest (hereinafter referred to as the "iSTEP Masterclass" or "Masterclass").

WHEREAS, the main objective of Party A in developing the App is to give Indian students reliable knowledge about a topic of study that would also help them in choosing a career.

WHEREAS, Party B is a recognised college (Jawahar Education Society's Institute of Technology, Management and Research) Affiliated with University of Pune recognised, offering undergraduate/postgraduate/professional degree programs to their students].

Chiranjiv tower, 103, Nehru place, New Delhi

WHEREAS, Party A has approached Party B to make the App available to Party B's students to allow them to access the Masterclasses available on the iSTEP Mentors App.

WHEREAS, Party B desires to conduct the Masterclasses for its students by making the App available to its students.

Now, therefore, the Parties agree to the following terms and conditions:

1. Purpose and Objectives: The purpose of this MOU is to outline the terms and conditions under which students studying with Party B [the "Students"] can access a range of Masterclasses available on the iSTEP Mentors App developed by Party A. After the Masterclass, the Students will have the opportunity to attempt an assessment test. Students who successfully complete the assessment will be eligible for a jointly issued digital certificate free of cost.

2. Roles & Responsibilities: To achieve the Purpose and Objectives mutually agreed upon above, the Parties agree to undertake the following:

1. Party A will ensure that a number of Masterclasses from across domains such as science, technology, management and business are available for Students on the iSTEP platform.
2. Party A will ensure that Party B's designated personnel are provided training on the usage, features & functionalities of the App, including how to schedule a Masterclass and how to share the Masterclass link with their Students.
3. Party A will offer technical support for all scheduled Masterclasses as required.
4. Party A will extend invitations to Party B for all upcoming Educator's events being organised in collaboration with international universities.
5. Party B will ensure that its teachers, counsellors and other designated employees will undergo the training organised by Party A & understand the usage of the App.
6. Party B will not charge Students for attending any MasterClasses on the App.
7. Party B will refrain from using logos of the universities for any purpose.
8. Party B will only use the approved posters and marketing material available on the App to promote any Masterclass scheduled by them.

The Parties agree to uphold their Roles and Responsibilities in good faith to the extent possible. The Parties agree to collaborate and communicate on a regular basis to ensure the smooth conduct of the Masterclasses for Students.

3. Scope: Upon signing this MOU, Party B faculty members will gain access to the iSTEP Mentors App, allowing them to schedule and share relevant Masterclasses for their students free of cost, as many times as required. Party B students can attend these Masterclasses and participate in assessments, receiving digital certificates at no charge.

4. Duration: The MOU remains valid for a duration of three years from the signing date. Either party can terminate it with one month's written notice to the other Party, ensuring minimal disruption to registered students for upcoming Masterclasses already scheduled by Party B.

5. Resources: Each Party agrees to assign the required level of human resources to ensure smooth scheduling, planning & conduct of the Masterclasses for Students. Each Party will assign a single point of contact to coordinate with the other Party on matters related to Masterclasses.

6. Amendments: Any changes to the MOU can only be made with the express written consent of both parties. The parties agree to engage in good-faith negotiations before making any changes to the MOU. Any changes as mutually agreed by the parties must be made in writing and signed by both parties to be effective.

7. Confidentiality: The parties agree that without the prior written consent of the other Party, which may be withheld in such Party's sole discretion, neither Party shall disclose any provision of this MOU to any third party (subject to the other terms set forth herein).

Each Party agrees that the terms and conditions of this MOU will be treated as the other Party's Confidential Information and that no reference to the terms and conditions of this Agreement or activities pertaining thereto may be made in any form of a press release or public statement without first consulting with the other Party; provided, however, that each Party may disclose the terms and conditions of this Agreement to law enforcement authorities as may be required by law; or in confidence, in connection with the enforcement of this Agreement or rights under this Agreement to their respective employees.

Party A agrees that any information and data regarding Party B's students that may be uploaded on the App is to be treated as confidential and will not be disclosed to any unrelated third party, except that the information and data regarding Students registering for and attending a Masterclass by a particular University may be shared with that University for their reports, issuance of certificates and other related purposes.

Party B agrees that the iSTEP Mentors App and the Masterclasses available on the App are proprietary and their copyrights rest with the respective owners, which may be Party A or the universities.

8. Dispute Resolution: All disputes arising out of or relating to the provisions of this MOU will be amicably settled and resolved by the Parties through discussions and negotiations. If the parties are unable to reach an amicable settlement to a dispute, they may appoint a mutually acceptable mediator to resolve the dispute. If a dispute is unresolved even after mediation, the parties may decide to terminate the MOU as per the terms outlined in this MOU.

9. Governing Law & Jurisdiction: This MOU will be governed by the laws of India, and courts in Delhi will have full and complete jurisdiction in the matters pertaining to the MOU.

10. Communication: Both parties agree that email will be a convenient and acceptable form of communication while operationalising the matters contained in this MOU. The first point of contact for each Party regarding all such email communications is as follows:

Party A - Point of Contact: Nikhil Malhotra
Party B - Point of Contact : Dr. M. V. Bhatkar

Email Address: nikhil@istepmentors.com
Email Address : jitcivilhod@gmail.com

Special Camp Report

21th January to 27th January 2024 Unit

Code:- DSF-87

National Service Scheme (NSS) camp was organized by JES'ITMR College of Engineering, funded by Savitribai Phule Pune University (SPPU) during the period of 21th January to 27th January 2024 at Gangavare Village, Nashik Taluka, and District-Nashik.

NSS was established in 1969 with a vision of personality development of students through community service and well as development of rural areas in India.

NSS Unit has been introduced in colleges with an optimism of establishing a sense of social responsibility amongst students and inculcating values of self-discipline and selfless dedication towards community development.

As a part of NSS Activities, a 07 day camp was held by JES'ITMR College of Engineering at Gangavare Village, Nashik Taluka, District-Nashik between 21th January to 27th January 2024 at Gangavare Village, Nashik Taluka, and District-Nashik.

Various social activities were held with a sole view of rural development and value education. We, being a part of the cultural committee, undertook various cultural activities in the village to promote interaction with the villagers and used the NSS platform to spread awareness about different social issues.
