# **MEMORANDUM OF UNDERSTANDING**

**BETWEEN**

**EduSkills Foundation ("EduSkills")**

**AND**

**Jawahar Education Society's Institute of Technology, Management &  
Research, Nashik**

**FOR EDUSKILLS MEMBERSHIP PROGRAM**

This Memorandum of Understanding ("MOU") is effective from the date of signatures below ("Effective Date"); hereinafter, each a "Party" or together, "the Parties". EduSkills will be referred as 'First party' and Jawahar Education Society's Institute of Technology, Management & Research, Nashik will be referred as 'Second party'.

The Parties have been discussing a proposed collaboration in the area of "Skill Development, IT Education and Workforce Development Programs" ("Collaboration Areas").

Now the Parties agree as follows:

**A. NON-BINDING TERMS.**

The Parties understand that MOU is intended only to summarize the current understanding of the parties with respect to the principal terms of the proposed collaboration.

The Parties understand that this MOU is intended only to summarize the current understanding of the Parties with respect to the Collaboration Areas and to facilitate their further discussions regarding certain objectives of the proposed partnership, as more fully described in Exhibit A, which are non-binding on the Parties. The terms and objectives set forth in Exhibit A shall be used for discussion purposes only and shall not be deemed to create any rights or obligations for or on behalf of any Party.

**B. BINDING TERMS**

The Parties hereby acknowledge and agree that the following subsections under this Section B (Binding Terms) shall be binding and create legal rights and obligations on the Parties.

**1. Confidentiality**

In this MOU "Confidential Information" means any information or data, irrespective of the form and nature thereof, that is material to the Party disclosing such information ("Discloser") to the other Party ("Recipient"), including, but not limited to technical know-how, specifications, designs, models, software, techniques, drawings, processes, as well as industrial and intellectual property rights, business information, trade secrets, customer lists, financial information, process, costs, sales and marketing plans, information posted on their respective websites or any other information with the Recipient knows or reasonably ought to know is confidential, proprietary or trade secret information of the Discloser.

The Recipient shall at all times, both during the term of this MOU and for a period of at least three (3) years after its expiration or termination, keep in trust and confidence all such Confidential Information, and shall not use such Confidential Information other than for the purpose of fulfilling its obligations under this MOU, nor shall the Recipient disclose any such Confidential Information to any third party without the Disclosing Party's prior written consent. Upon termination of this MOU or written request from the Discloser, the Recipient shall, within fifteen (15) days from such termination or request, return all Confidential Information and any and all copies thereof to the Discloser, or at the Discloser's option, destroy the Confidential Information and any and all copies thereof, and certify such destruction.

The obligations of confidentiality set forth herein shall not apply to information which;

- a. Was rightfully in possession of or known to the Recipient without any obligation of confidentiality prior to receiving it from the Discloser;
- b. Is, or subsequently becomes, legally and publicly available without breach of this MOU;
- c. Is rightfully obtained by the Recipient from a source other than the Discloser, without any obligation of confidentiality; or
- d. Is developed by or for the Recipient without use of the Confidential Information.

The Recipient may only disclose Confidential Information pursuant to a valid order issued by a court or governmental agency, provided that the Recipient provides the Discloser

- a. Prior written notice of such obligation; and
- b. The opportunity to oppose such disclosure or obtain a protective order.

The Confidential Information shall remain the property of the Discloser and no license to any existing or future intellectual property rights or Confidential Information is granted or implied under this MOU.

All Confidential Information is provided "AS IS". The Discloser shall not be liable for any inaccuracy or completeness of the Confidential Information, nor are there any express or implied representations or warranties by either party to the other, including with respect to the infringement of any intellectual property rights or any right of privacy, or any rights of third persons.

**2. Scope**

The scope of this MOU does not cover any development work, testing, licensing, distribution, support, sales, or maintenance. Should the Parties decide to pursue such matter that is outside the scope of this MOU, the Parties shall enter into a development, license, distribution, or other appropriate written agreement(s) accordingly.

**3. Publicity**

The Parties hereby agree that no press release or other public announcements regarding this MOU or any agreements contemplated thereby shall be made without prior review and written agreement signed by a duly authorized representative of the other Party.

**4. Term and Termination**

The Parties agree that this MOU shall be effective as of the Effective Date and shall continue in effect until the earliest occurrence of one of the following: (1) the execution of a definitive MOU or definitive agreement relating to the scope of this MOU; (2) written notice by one Party to the other of termination of this MOU; or **thirty-six (36) months** from the Effective Date of this MOU. Section B (including all subsections) shall survive any termination of this MOU. Upon expiry of the Term, it is the intention of the Parties to further progress the solutions initiated under this MOU towards overall achievement of the objectives and outcomes contemplated herein. Second party shall, to this extent, endeavor to continue maintaining and promoting such solutions and projects to further the objectives set forth in the MOU.

**5. Limitation of Liability**

Except for liability relating to either Party's breach of the other Party's confidential information or intellectual property rights, in no event shall either Party be liable to the other Party for any direct, indirect, incidental, special, punitive or consequential damages or loss of profits, lost revenue or loss of data.

Notwithstanding the foregoing, nothing in this MOU shall limit the Parties liability for bodily injury or death caused by its negligence or its liability in the tort of deceit.

**6. Intellectual property rights**

Each Party will retain the exclusive rights, title and ownership of all its pre-existing Intellectual Property, Confidential Information and materials (including, without limitation, proprietary ideas, sketches, diagrams, text, know-how, concepts, proofs of concepts, artwork, software, algorithms, methods, processes, identifier codes or other technology) owned or developed by such Party.

**7. Governing laws and jurisdiction**

The Parties shall make efforts in good faith to amicably resolve all disputes as may arise out of or in connection with this MOU. This MOU shall be subject to and governed by the laws of India and the Indian courts shall have exclusive jurisdiction over any claim arising under this **MOU**. Notwithstanding the foregoing, either Party may seek interim injunctive relief in any court of appropriate jurisdiction with respect to any alleged breach of such Party's intellectual property or proprietary rights.

**8. Costs**

Unless otherwise agreed upon in writing, each Party shall bear its own costs and expenses arising in connection with this MOU and the possible negotiations, completion and implementation of definitive Agreements if any, including but not limited to costs of experts, consultants, lawyers and travel expenses.

**9. Amendment**

DocuSigned by:

This MOU may be amended at any time by the mutual written assent of the Parties.

#### 10. Severability

Should any portion of this MOU be determined to be illegal or unenforceable, the remainder of the MOU shall continue in full force and effect, and either party may renegotiate the terms affected by the severance.

IN WITNESS WHEREOF, the parties hereto have executed this MOU by persons duly authorized as of the date and year first above written.

## Event Report

• <b>Day and Date</b>	:-	<b>Friday, 09<sup>th</sup> February 2024 from 10:00 am to 12:00 noon</b>
• <b>Name Event</b>	:-	Expert talk on “ <b>How to avoid Plagiarism In Research</b> ”
• <b>Organized by</b>	:-	Department of Civil Engineering, Jawahar Education Society's, Institute of Technology, Management & Research, Nashik.
• <b>Coordinator</b>	:-	Mr. S. L. Desale, Assistant Professor, Civil Engineering Department.
• <b>Invited Guest</b>	:-	<b>Dr. Sonal Y. Borse</b> , Assistant Professor, Pune Vidyarthi Griha's College of Engineering & Shrikrushna S. Dhamankar Institute of Management, Nashik.
• <b>Participants</b>	:-	All Staff Members of Institute

- **Objective of the Event:-**

Expert Talk on “**How to avoid Plagiarism in Research**” was organized on **Friday, 09<sup>th</sup> February 2024 from 10:00 am to 12:00 noon** to increase the awareness regarding “**How to avoid Plagiarism in Research**” for All staff of Jawahar Education Society's, Institute of Technology, Management & Research, Nashik. The expert talk aimed to educate Institute Staff about the avoiding plagiarism in our research and teaching practices. The speaker, **Dr. Sonal Y. Borse** is a renowned expert in the field of research. The objective of this expert talk was to educate researchers, faculty members, and students on the importance of avoiding plagiarism in research.

- **Outcome of the Event: -**

1. **Introduction to Plagiarism:** The speaker introduced the concept of plagiarism, its history, and its applications in the research industry.
2. **Benefits of Plagiarism:** The speaker highlighted the benefits of using Plagiarism, including improved collaboration, increased accuracy, and reduced Efforts.

### 3. Future of Plagiarism Detection:

**AI-powered detection:** AI-powered plagiarism detection tools will become more prevalent, using machine learning algorithms to identify plagiarism patterns.

**Blockchain-based solutions:** Blockchain-based solutions may be developed to create a permanent, tamper-proof record of academic work, making it easier to detect plagiarism.

- **Feedback from Attendees:**

The attendees, comprising civil engineering students and faculty members, found the talk informative and engaging. They appreciated the speaker's expertise and the practical examples shared during the talk. The feedback was overwhelmingly positive, with many attendees requesting more such events in the future.

- **Conclusion:**

The expert talk on “**How to avoid Plagiarism in Research**” was a resounding success. We hope to organize more such events in the future to enhance the learning experience of our Staff and students.

## About the Institute

Jawahar Education Society's, Institute of Technology, Management and Research, Nashik, established in the year 2012, aims at providing quality technical education in Civil, Electrical, Mechanical, Computer, IT, and AI&DS Engineering streams. The institute is getting shaped under the able guidance of Hon. Rohidasji Patil, Hon. Vinay Patil & Hon. Kunal Patil. The institute is accredited by National Assessment and Accreditation Council and holds best position of technological institutions in the Nashik. The institute is contributing to all sectors of technological development and also committed to making students conscious of their social responsibility through various outreach programmes. The institute has justifiably proven itself on the quality of its academic programs and is keeping pace with the latest developments in engineering education.

## About the Conference

The National Conference on Emerging Trends in Engineering and Sciences (NCETES- 2023) aims to create a common platform for students, academicians, researchers, developers and practitioners to discuss and present various research initiatives, outcomes and their experiences. A conference platform is not only to learn new aspects, others perspectives and the latest information, but also a good way of networking. All submitted papers will be published in the conference proceeding with ISBN numbers through the peer review process. Moreover, selected papers will be published in reputed journals.

## Conference Theme

Sustainable Practices in Engineering and Sciences  
The conference will focus on, but will not be limited to the following sub themes

## Computer Engineering

AI&ML, Big Data Analytics, Blockchain, Cloud Computing, Cryptography and Network Security, Deep Learning, Distributed and Parallel Computing, Graphics, Animation and VR, Image Processing, IOT, Mobile Computing, Soft computing, Wireless Sensor Networking, Quantum Computing.

## Mechanical Engineering

Green Manufacturing, Production Processes and Systems, Industrial Robotics and Automation, Renewable Energy, Advanced materials & Metal Forming, Industrial Engineering

## Electrical Engineering

Smart grid, Electric Vehicles, Power Systems Stability, Operation, and Controls, Embedded systems and Internet of Things (IOTs), HVDC and FACTS controllers, Power supplies and industry-specific applications, AC and DC drives and Electrical machines, Applications of optimization techniques in Electrical and Electronics Engineering.

## Civil Engineering

Sustainable materials, Advanced Construction management, Water resources engineering, Sustainability in geotechnical engineering, Hazardous waste management and advances in environmental engineering, Structural engineering, Transportation engineering, Remote sensing and GIS.

## Applied Science & Humanities

Complex Analysis, Differential equation, Applied Mathematics and modelling, Numerical analysis, Mathematical & scientific machine learning. Green chemistry, Nano-chemistry, Heterocycles, Pharmaceutical Chemistry, Phytochemistry, Polymer Chemistry, Catalysis. Mathematic Physics, Nanotechnology & Nano science, Material Science, Mathematical & Computational Physics, Design, development or function of commonly used devices.

## Conference Schedule:

Last Date for Abstract Submission	31th Aug 2023
Intimation of Abstract Acceptance	15th Sept. 2023
Last Date for Full Paper Submission	15th Dec. 2023
Intimation of Paper Acceptance	31st Dec. 2023
Submission of Camera Ready Paper	10th Jan. 2024
Last Date for Registration of Accepted Papers	31st Jan. 2024
